St. Paul's Preschool: Looking Ahead for the 2027-2028 School Year

A Place to Play, Grow, Learn, and to Belong!

Welcome to St. Paul's Preschool, where children learn through play, explore their curiosity, and build meaningful friendships in a warm, nurturing community. Our hands-on learning experiences and inviting indoor and outdoor classroom environments help children grow in confidence and independence. With flexible enrollment options and hours, your family can find a schedule that fits, and a place where your child can belong, grow, and thrive!

Through meaningful learning opportunities and memorable preschool experiences, we nurture each child's social, emotional, physical, cognitive, and spiritual development. Gardening, Motor Lab, and Chapel enrich your child's preschool experience with opportunities to explore nature, develop movement skills, and nurture faith and community. These shared experiences encourage curiosity, connection, and joyful learning throughout the school year. We celebrate each child's unique strengths while helping them build a foundation for a lifelong love of learning.
