October 2023 News Making a Difference For Kids

Message From President Peggy Scott

Welcome to a New Optimist Year

As we welcome the blustery days of fall, we also begin a new Optimist year. The start of the calendar brings a lot of organizational hoopla that must be managed. For me, it seems that forms and training and committees have taken center stage.

While we must document, photograph and report in order to maintain some continuity for our club, we also have the privilege of being part of projects that make a difference for the

children and families in our community. Third-graders are reading their new dictionaries. Young officers in the JOI club are making plans for the year. Walkers gather to support mental health suicide prevention efforts. Students share their gifts and talents in an annual exhibition of art.

And so, it will continue. The record-keeping must be done, but let's not let those duties obscure the reason Optimists do what we do. The big picture is beautiful.

October 5, 2023 Installation of 2023-2024 Officers

President Carroll Metzger receives her crown from Beth Watts and scrapbook from Ellen Bridgewater.

Party Chair Caryl Harness finds the dirt on outgoing president Carroll to host a fun, good-natured roast.

EMO District Governor Phyllis Neff installed the new Board of Directors.

Outgoing board members thanked for their service.

Carroll Metzger will be moving to the Foundation Representative position, Gerty O'Leary leaves the board after five years of service, Ruth Ann Adams moves to secretary, Peggy Scott moves to president, Debbie Hogenmiller becomes president elect, Janet Mace moves to treasurer, while Judy Williams and Pam Cernick complete their service as board members. (Not pictured Pat Parsons, retiring board member.)

Flower Power

The installation of new officers and board members took place during the weekly TCA Optimist Club meeting on October 5, 2023.

Approximately 45 club members attended this year's Installation of Officers, where we traveled back to the 1970's to celebrate the hippie lifestyle of our outgoing President Carroll Metzger. A tribute roast of her year included a bit of teasing over her repeated mispronunciation of names and errors when issuing calendars, as well as plenty of praise for her leadership in a productive year that included new projects as well as projects that hold tradition. Stories were told of the years she spent living in Russia and tales of her antics as a hippie raised a few eyebrows and got plenty of laughs. Carroll's life seems as colorful as the psychedelic room décor.

Special thanks to program hostess Caryl Harness and the rest of the party committee members, Judy Lowe (who sent her remarks from a cruise ship), Phyllis Neff, and Beth Watts for a wonderful program, including our club's good natured annual President's Roast.

Incoming officers were sworn in by District Governor Phyllis Neff and encouraging remarks for the year ahead were given by incoming President Peggy Scott

Peggy Scott.

Outgoing and incoming officers and their positions are listed below. Thanks were extended to outgoing board members Judy Williams, Pat Parsons and Pam Cernik. Continuing board members Patty Meyer, Katie Huck and Cathy Elliott will be joined by new board members Beth Watts, Kirstie Zych and Amy Baum.

Changing the World Two Wheels at a Time

The October 12 guest speakers were Chris and Rene Creed, founders of Living Life on 2 Wheels, Inc. and the owners of Pedal 'n Pi Bike Shop and Pizza in Crystal City. They currently operate an All Kids Bike program with 26 area schools with many more schools on the waiting list. This program provides 24 Strider balance bikes and helmets to kindergartners and first graders so they may learn bicycling skills in PE class. Strider bikes have pedals that can be added to the bike after the participant has learned to balance while keeping their feet on the ground. These bikes are used at camps for Pony Bird residents, with children and adults with Down's syndrome, autism and other developmental and physical limitations. Living Life on 2 Wheels is developing a bike park on Platin Road. The park will include trails for hikers and bicyclists, bring to fruition their vision to provide safe places for families to participate in the sport of cycling together and develop programs and camps for everyone and all levels of ability. Adults who enjoy bicycling in the Festus area may wish to join the weekly Tuesday night rides. For further information see their website:

BB 5K Teen Suicide Awareness Walk
Debbie Schumaker and Cynthia Buchheit-
Courtway

Debbie Schumaker spoke to the group about the upcoming BB 5K Teen Suicide Awareness Walk. This is the 5th year for the walk. Debbie spoke of the history of the establishment of this walk being the June 2019 suicide of her grandson, Brian. Her family was encouraged to find a way to reach out to the community about the increase in teenage suicide, this walk is being used for that purpose. The proceeds from the walk have been used to give money to schools for sporting equipment. It is currently being used to award scholarships to students who write an essay on the need for suicide awareness. This year's topic was how teens feel they have changed and/or have seen changes in friends since the COVID-19 pandemic changed their school and family lives. At this year's walk eight \$500 scholarships will be awarded.

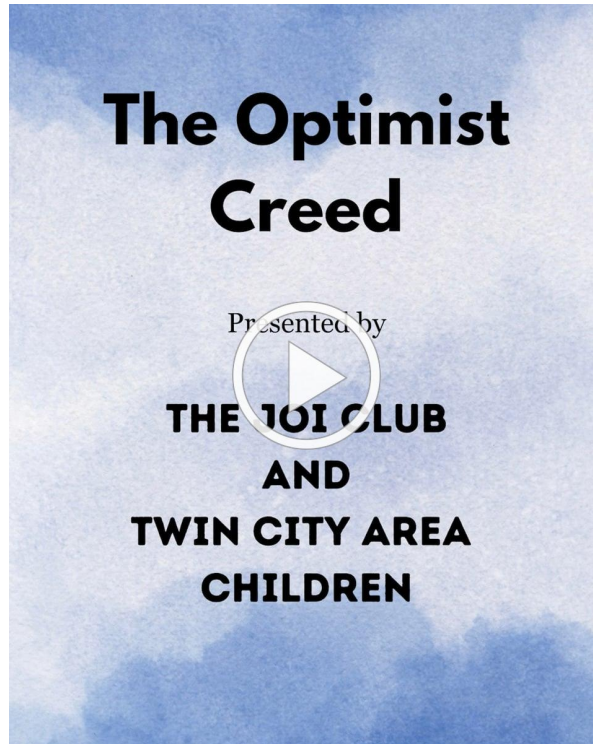

Debbie asked Missouri State Representative Cynthia Buchheit-Courtway up to speak about her efforts in Jefferson City to implement additions/changes/extensions to the health curriculum grades 5-12 in schools that include more mental health information and resources. Representative Buchheit-Courtway indicated she was going to be meeting with Aspen, a group that helps with suicide awareness by providing information about where to go to get help and who could be trusted to provide help.

CLUB PROJECTS

Dictionary Project

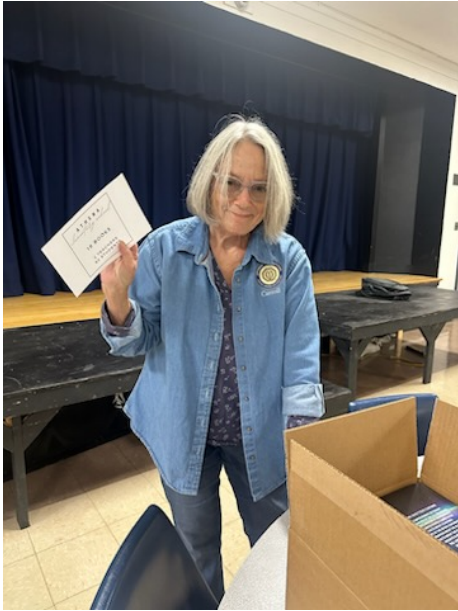

The Dictionary Project is a commendable initiative that aims to provide third-grade students with their own copy of a dictionary each year. The project is supported by our Twin City Area Optimist Club through a \$5000 grant issued by the Optimist Club St. Louis Foundation. This tradition not only equips young learners with a valuable resource for improving their language and literacy skills but also instills in them a love for the written word and a sense of empowerment through knowledge. The tactile experience of flipping through the pages of a physical dictionary not only enhances their vocabulary and comprehension but also fosters a sense of curiosity and independence in discovering the meanings of words. Moreover, it introduces them to the joy of exploration and the confidence to articulate their thoughts more effectively. The Dictionary Project thus plays an essential role in shaping the educational foundation of third-grade students, offering them a tool that transcends the classroom, enriching their lives with the gift of language and the potential for lifelong learning.

This year's project was chaired by two first timers, Allie Kister and Laura Lohman. Both Optimists have students in the local school districts who have and will benefit from this project. This year 57 boxes totaling 1,368 books were ordered and delivered to the following schools: Athena Elementary, Crystal City Elementary, Christian Outreach, Vineland Elementary, Festus Elementary, Grandview Elementary, Our Ladies in Festus, Hillsboro Elementary, Pevely Primary, Sunrise, Telegraph Intermediate, Twin City Christian Academy and St. Rose of Lima Catholic School in De Soto. In addition to the schools, we have added on local third Homeschoolers and plan to deliver rhyming dictionaries to the local Festus Pre-K building and for the Head Start project. Your 2023 Chairs would like to thank the following volunteers to assisting with the unboxing, labeling, and sorting this year: Thank you to: Jean Naeger, Judith Williams, Patty Meyer, Janice Boyd, Carroll Metzger, Debbie Hogenmiller, Kathy Jensen, and Donna Long.

Twin City Area Optimist Club earns second place in EMO 2022-2023 District Awards and Achievements program.

Ten TCA Optimists attended the first quarter 2023-2024 EMO District Conference. Motivation, training, and Optimist updates were presented. Members were able to hear

more about the Optimist International Foundation and meet with some of the district's committee chairs. This was an opportunity for members to learn more about various programs and sign up to join committees. Oh, and there was lots of fun with the Kickoff theme for Friday evening.

Thanks to the generosity of our members, 364 single items were donated to EMO First Quarter Service Project benefitting the Ronald McDonald House in Columbia, Missouri. Items included single serve food items, toys and activity books, along with personal hygiene items for children and adults.

JOI Club October News

The October 5, 2023, meeting of the JOI Club was called to order by Vice President Olivia Blair. Eight members were in attendance and together they said the Pledge of Allegiance. Peggy Scott, Twin City Area Optimist Club president, was welcomed as the guest for the evening.

Braggs and prayers were shared by various members. A round of Happy Birthday was sung to October birthday celebrants.

Old business on the meeting agenda was the upcoming BB 5K on October 21 at Larry Crites Memorial Park at 10 a.m. Applications were completed and collected for the event. All members were encouraged to attend this event which focuses on suicide awareness.

New business included plans for the club's Halloween party on Saturday, October 29 at Larry Crites Memorial Park from 12:00 noon to 2 p.m. Costumes, games and fun were planned for the event.

In addition to the Halloween party plans, the Autumn Ridge car show on Saturday, October 14, 2 to 6 p.m. was discussed. All proceeds from the car show will be donated to Kade's playground in Herculaneum. The club voted to donate \$100 to the event.

In conclusion, newly elected officers were installed. Members recited the Optimists' Pledge and the meeting was adjourned.
