HEALING INVOCATION

Falling deep into the Heart of God (ALL) within,
Where Grace, Light, Love, Power, and Soul unite as ONE,
All Can Heal, All Can Heal,
All Can Heal, All Can Heal,
All Can Heal, All Can Heal,
All Can Heal, All Can Heal,
All Can Heal, All Can Heal,
All Can Heal, All Can Heal.

HEALING PRAYER

Thank you for the Grace to teach and heal,
I offer it as service to the world,
That others may receive what I've received,
That they may also heal as I have healed.
Keep me in your light so I may shine
Your truth into the hearts and minds of all,
Maintaining focus on the highest good,
Uplifting others, knowing All Can Heal.

HEALING SONG

Tell me there's more than pain I am living,
I long to know: to see, hear, and feel.
Teach me to find the peace that I'm seeking,
All Can Heal.

I've been so lost, at last I am ready
To find the light I carry within.
I was confused by poisons around me…
Now I'm clear.

I didn't know what was inside me,
Shadow was blocking the light.
I was ashamed to share heart blessings
Clear and bright.

Praying for joy for all we encounter,
Pain falls away and Grace flows within,
The ALL that IS keeps guiding our journey,
All Can Heal.

Healing is change. Ask and it's given.
It flows for me and for you.
When we each shine our special brilliance,
Love pours through.

You are a dazzling ray in creation,
Brightening all in your precious way,
Sharing your soul through your unique essence
From the ALL,
To the ALL,
All Can Heal.
All Can Heal.
All Can Heal.
