

Ordinance No. 4.

Granting the Central District and Printing Telegraph Company the right to erect and maintain poles, fixtures, wires, cables, and supports, upon, over, and along, the streets, highways, footwalks, lanes and alleys of the Borough of Pottsville Heights, Beaver County, Pennsylvania, on the conditions hereinafter provided.

Be it ordained and enacted by the Council of the Borough of Pottsville Heights, County of Beaver, and State of Pennsylvania, and it is hereby ordained and enacted by the authority of the same.

Section 1. That the privilege be, and is hereby granted to the Central District and Printing Telegraph Company, its successors, and assigns, to construct, operate and maintain the necessary poles, fixtures, wires, cables and supports, in and upon the streets, highways, footwalks, lanes and alleys of said borough as may be necessary for the purpose of constructing, operating and maintaining lines of telegraph and telephone through the said borough to the places of business, works, manufacturing establishments, offices, and houses of subscribers, within the borough limits or adjacent thereto, subject to the conditions and regulations hereinafter contained.

Section 2. That the said Central District and Printing Telegraph Company shall replace the streets, highways, footwalks, lanes and alleys of said borough upon which

it shall erect any of its poles or fixtures as aforesaid, in as good condition as they were before said poles and fixtures were erected thereon; and further, that the location of said poles shall be made under the direction and supervision of the Street Committee, of the council of the borough aforesaid.

Section 3: That all poles erected under the provisions of this ordinance shall be reasonably straight, planted not less than five (5) feet in the ground, and shall be kept well painted by the said company, and there shall be no cross-arms for the suspension of wires and cables placed at a less distance than twenty (20) feet from the grade of the street, unless by permission of the said council.

Section 4: That whenever the said borough shall adopt a fire-alarm or police telegraph system, the said company shall permit the fire-alarm and police telegraph wires to run upon all the poles of the said company, without charge, within the limits of the said borough, provided, however, that such privilege shall not be so exercised as to interfere with the proper use of said poles by said company. All such stringing or attaching of wires shall be done under the supervision of, and to the satisfaction of said company. This privilege shall not be transferred or sublet, except with the permission of said company.

Section 5. It is further expressly understood and agreed that the Central District and Printing Telegraph Company shall furnish for the use of said Borough of Patterson Heights, without charge, one telephone to be located in such place within the limits of said borough as the Council may designate; the telephone to be used with the same right and privilege as the other subscribers instruments in said borough, but only for the transaction of official borough business, and the said Central District and Printing Telegraph Company shall so continue to furnish for the use of the said Borough of Patterson Heights, said telephone instrument located as aforesaid, until the said borough shall impose a license fee upon the poles or wires of said company, when said service without charge, shall cease.

Section 6. The said company shall, within thirty (30) days after the passage and approval of this ordinance, file with the Clerk of Council its certificate of acceptance of all terms, conditions and provisions of this ordinance. The said company shall pay all expenses incident to the passage and publication of this ordinance.

Section 7. That any ordinance, or part of ordinance conflicting with the provisions of this ordinance, be, and the same is, hereby repealed, so far as the same affects this ordinance.
