OFFICIAL GUIDEBOOK

LANCASTER Consignment Crawl

FALL 2026

Welcome to the LANCASTER Consignment Crawl

The idea of the Crawl was sparked over a decade ago when Cristina Klausmair, owner of Deja Vu Consignment Boutique, attended a tour of consignment shops as part of a national resale conference.

The tour was created for industry professionals, but Cristina envisioned something bigger; a collaborative celebration right here at home.

In 2026, she teamed up with her store manager (and daughter-in-law) Sarah, to finally bring the Lancaster Consignment Crawl to life.

We live and breathe this industry, and love sharing it with others every day. We built the crawl on one core idea: ***Collaboration over Competition.***

We believe that we serve our community best when we ***lift each other up and work together.***

Thanks to an overwhelming response to our first event, we have expanded the fall crawl into a three-day weekend. There is no set route; we invite you to slow down, enjoy the road trip, and enjoy some well-deserved retail therapy at your own pace.

The Crawl is about discovering new favorite boutiques, meeting passionate small business owners, and making memories with loved ones.

Whether it's your first crawl or you're joining us again, we are so incredibly grateful you're here!

Happy Shopping!
