The Exchange Club of Fort Bend strives to build a better community by fundraising and volunteerism. The funds raised help nonprofit organizations in Fort Bend County. We donate an average of \$30,000 per year to Fort Bend County nonprofits every year. We are proud to support programs in the areas of ***Prevention of Child Abuse, Americanism, Youth, and Community Service.***

This year we are putting together a Virtual **Field of Shields** and help raise the needed funds for the betterment of our community. The Field of Shields will be proudly displayed starting early October through December 31, 2020. We are asking supporters to sponsor this field; the shield symbolizes the protection of those in need in our community. We aim to bridge the awareness gap and nurture a safer community for all by supporting education, law enforcement, veterans, domestic violence and child abuse victims, health care, and mental health issues.

By participating as a sponsor, your organization will benefit from exposure through media campaigns and promotional efforts directed toward the supporters of the Exchange Club of Fort Bend. We have many levels of sponsorship, as detailed on the enclosed sponsorship commitment form. You can select the level of participation that best meets your needs, knowing your sponsorship fee will be used to help many noteworthy needs, programs and activities in our community.

We are counting on your support and will be happy to answer any questions you may have. Please complete and return your sponsorship commitment form or submit online at www.FieldofShields.org.

Thank you in advance for your willingness to support the efforts of the Exchange Club of Fort Bend and for making a difference in our community.

Sincerely,

Q Imam
