July Note from President

We had 26 members in attendance at our June meeting and one visitor, Anne Marie Wilkerson. We were adequately spaced for social distancing and had LOTS of Show & Tell. Thank you to the volunteers who helped with setup and sanitizing the room.

We will continue to follow the church's guidelines for our July guild events. Sit & sew will be held July 2 during and after the board meeting. Our next general meeting is July 9. The July workshop has been cancelled; however, Hannah will be using that day, July 23, to work on Fundraising items so please coordinate with her if you wish to participate. There are five Thursdays in July and Linda will be utilizing July 30 for Community Service purposes. Everyone is welcome to all of these functions.

By now you have probably been contacted by one of the Nominating Committee, which is comprised of Kaye Joachim, Kathy Crews and Barbi Ouellette. Please seriously consider running for one of the board positions. Flying Needles Quilt Guild is made up of a myriad of backgrounds and it is always refreshing to have new faces and ideas on the board.

In addition, the SOPP review committee and the financial review committee are working toward year-end objectives.

Organization continues for the Quilt Show and Linda and her committee have made much progress.

I hope to see you all soon!

Round Robin

The Round Robin you took in June is due at the July general meeting. Please bring in your round and give to Kaye before the meeting starts. She will then give you the next round.

Nominating Committee

Kaye Joachim, Barbi Ouellette, and Kathy Crews are the nominating committee for the new board voted on in September. If you want to run for an office on the board, please let any of the three know before the August general meeting. All positions are available..

Flying Needles Quilt Guild Board Meeting – June 4, 2020
Meeting held on Zoom

Pam called the meeting to order at 9:00 am.

In attendance: Jo Peppey, Deborah Moen, Jeanie Donnelly, Pam Cortner, Marisol Kingsbury, Sharon Jacobs, and Konnie Glaze.

Formation of Committees:

Nominating Committee: Kaye Joachim, Kathy Crews, and Barbi Ouellette.

SOPP/By-law committee: Konnie Glaze, Jo Peppey, Deborah Moen, Sharon Jacobs, and Penny Maus.

Discussion was held regarding term limits on officer positions. It was thought that term limits would allow for all members to have a chance to serve on the board and to bring new ideas to the table.

Also discussed was the moving of the fiscal year to line up with the filing of the articles of incorporation with the state, which we are currently paying twice a year rather than once. The Department of State Division of Corporations requires a report between January and May with the minutes of our annual meeting and a fee of $70. Since our board currently changes in October, we have to file again at that time, turning in the minutes with our new board member names for a fee of $70. If we have elected officers take office in January, when this fee is due, we do not have to pay again in October to change the officer's names with the state. It was recommended to elect officers in September and have them take office in January. This also allows for three months to overlap with the existing officers to learn the ropes. This is especially important for the office of treasurer. A membership vote (during the annual meeting) is required to make this change, and will be discussed among the revision committee members.

Workshops: The August workshop teacher cancelled, and Jeanie is working on a new workshop teacher. Jeanie will handle how to sign up for workshops, as there will be no clipboards out at the meetings, and Jeanie has contacted members regarding refunds for cancelled workshops. The mystery trip is in the planning stages.

Treasury: Marisol communicate $0.38 interest income as shown on the report she sent out. It's anticipated that people will have reimbursement and deposits to turn in at the June meeting.

Guild Anniversary Event: Pam has spoken to Mary Ann Sharp regarding the celebration of the guild's 30th anniversary. We will not have a potluck but will have a cake. The plan is to have an announcement in the newspapers as advertising for the guild.

June 11th General Meeting: The board voted to hold a general meeting in June. Pam will be setting up the church according to social distancing protocol. We can meet at half of the room capacity, which would be roughly 40 people. There will be no food or drink on the counter or in the kitchen. You are welcome to bring your own drink and snack. Pam will be arranging the cleaning and organization of the meeting room before and after the meeting. She will have supplies available as she did at the March meeting: antibacterial wipes, hand sanitizer, etc. It is up to individuals if they will attend, and you will need to wear a mask. There will be no free table, door prizes, or exchange of cash at this time. Pam will send out an email on Monday fully outlining the plan for the meeting.

Needle Notes, BOM: Pam gave a shout out to thank Sharon Jacobs and Jayne Pendergast for their efforts over the past few months. Jayne has put out a very nice newsletter with great information and show and tell photos.

Sharon has been able to continue the block of the month program by sending out the kits to members.
Sharon will be deciding how to handle payment for the BOM program as she needs to take in payment for several months at the June meeting.

Pam made the motion to adjourn the meeting at 9:45 am, and Marisol seconded the motion.

PRAIRIE POINT HANGING SLEEVE

Cut 8 inch squares (The number of squares will be determined by the width of your quilt. Take the width of your quilt and divide by 8. Leave 1 – 2 inches on each side)

Fold each square on the diagonal and press. Fold again on the diagonal and press. Place the raw edge of each double folded triangle at the top edge of the quilt, spacing them evenly across, leaving at least an inch on each side of the quilt. Pin and then baste across the top of the quilt just inside your usual seam binding allowance.

Apply your binding.

Using a doubled thread, secure the prairie points with four or five stiches, being careful not to catch the front of your quilt. When points are secure you are ready to hang your quilt.
