DON SHAURETTE

Don Shaurette was born in Rockville Center, on Long Island, N.Y., and moved to Florida in 1963 at the age of four. His mother was from the Glendale section of Brooklyn, N.Y. His Dad and family members were from Wisconsin. Don stated that he considers himself to be a Floridian and treasures his childhood growing up near the beach. He is the youngest of four brothers, and the family spent their formative years in Bradenton. Don recalled his love of fishing at the time, which he still enjoys to do when opportunities prevail. His days are kept busy enjoying various hobbies with his wife Merry. This month he will attend his Fiftieth H. S. Reunion in Bradenton. With a playful wink of the eye, he expressed: "I plan on showing off my full head of hair and my trophy wife to my former attending classmates." Don's sense of family is evident when he presents me a handmade wood album his father crafted and gifted him to keepsake the past generations of family photos.

Don's career in Corporate Finance and Banking began soon after he met his future bride-to-be, Merry, also a Floridian. With animated laughter, both recall the match was sealed with love at first sight and lasting 43 years; celebrated last month. His new role after Graduate School became a priority, and D & M soon became parents. Three girls in total made them proud parents. Don became a doting Dad even though constant travel for business resulted in time away from his home life. He related that it was hectic and many geographic moves were made along the way. He moved the family to Baton Rouge, Orlando, and then spent a long stretch of years in Atlanta. During his tenure with major Corporations, his honed skills presented opportunities to visit many cities in the U. S. and foreign countries for financial conferences and symposia. Don nurtured a specialty in Financial Technology that advanced rapidly during his career.

Meet A CHYC MEMBER

“Retirement has been an easy transition, with careful preparation for the golden years ahead with Merry. Just being back in Florida is a joy. I guess I took for granted the lifestyle I had growing up here. I can also express how I now reflect on the past with the realization that I provided for my family and am now a proud grandfather. I can still carve out some time to assist in making the C.H.Y.C. a place to meet new friends and rollick with marketing abilities which I keep fine-tuned to encourage new membership.”

On the topic of the Club, Don introduced, we discussed the movie “Field of Dreams” and the ubiquitous quote in promoting business: “you build it, they will come!” …. We agreed that the club and well-appointed nautical elements of the Dining Rooms and the Ship’s Wheel Cocktail Lounge has been transformed. This is an excellent place to share stories and laughter with other members. Don’s mantra to me was in the words: “If you don’t visit regularly to the Club, then you are missing out on good times with great people.” I responded to him that the benefits are immensely enjoyable.

Q/A. So, Don, tell me what your passions are?

To keep doing what I think I do best in this order: a husband, father, and Grandfather. Oh, and fishing off my boat when navigating around ICW, Charlotte Harbor and Boca Grande.

Q/A. What is your favorite piece of clothing in your wardrobe?

A Natty gray chalk-striped suit (which he wishes still fit); vintage
Red and blue c.’92 braces holding up pleated pants to accentuate a
Cut-away collared shirt.

Q/A Give me three movie titles you favor.

1)The Coen Brothers’ movies; a one-off genre.
2)‘Glengarry Glen Ross’… David Mamet, author….(Play/Movie)
3)AMC Drama: ‘Cat on a Hot Tin Roof’ loved Burl Ives as ‘Big Daddy.’

Q/A. Do you have a favorite motto?

“As my father, Harland Shaurette, would proffer to his sons:
Be Honest, Be Accountable! Emphasis on the Capital letters.”

FISHING CLUB

Calling All Anglers, Adventurers & Lovers of the Water

We are excited to announce the formation of the Charlotte Harbor Yacht Club Fishing Club — a new group dedicated to enjoying the incredible fishing opportunities our waters offer all year long. Whether you're a seasoned angler, a weekend hobbyist, or someone who simply loves being out on the water, this club is for you.

As we come together to enjoy the beauty and bounty of Charlotte Harbor, all participants must follow Florida's strict fishing laws and regulations. **A valid Florida Fishing License is required for anyone fishing from shore or boat, unless exempt under state law. Members are responsible for knowing and following all size limits, bag limits, seasonal closures, and gear restrictions set by the Florida Fish and Wildlife Conservation Commission (FWC).**

Charlotte Harbor is one of Florida's most diverse fisheries, and each season brings something special:

Spring – The Season of Action

Snook return to the flats, redfish school up, and the harbor comes alive. It's the perfect time to kick off our club with lively inshore trips and friendly competitions.

Summer – Tarpon Time

The Silver King arrives in full force. From Boca Grande Pass to the Harbor bridges, summer offers world-class tarpon fishing right in our backyard.

Fall – Redfish & Trout Prime Time

Cooling waters bring some of the best fishing of the year. Fall is ideal for group outings, teaching new anglers, and exploring the mangroves.

Winter – Sheepshead, Snapper & Calm Days on the Water

When the temperatures drop, the nearshore bite heats up. Winter gives us a chance to enjoy relaxed trips, social gatherings, and technique workshops.

Those who would like to join, please call to express your interest and add your name to the list. 941-629-5131

VETERANS DAY

November 11th

A Day of Honor and Gratitude: Veterans Day is a national observance honoring all who have served in the United States Armed Forces. It is a time to recognize their courage, commitment, and sacrifices in defense of our country. Their dedication and sacrifice help protect the freedoms we cherish.

The Meaning of Veterans Day

Veterans Day honors those who served during wartime and peacetime, at home and abroad.

It reminds us of the values their service represents:

Service - *putting the nation and its people first*
Courage - *facing challenges with strength*
Commitment - *fulfilling a duty to others*
Sacrifice - *giving time, comfort, and sometimes life in service*

Veterans Day honors all U.S. military veterans.
It is distinct from Memorial Day, which remembers those who died in military service.

A Brief History

1918: Fighting in World War I ended with the armistice on November 11.
1919: President Woodrow Wilson proclaimed November 11 as Armistice Day.
1954: After World War II and the Korean War, Congress renamed it Veterans Day to honor American veterans of all wars.
November 11: Observed each year as a day to recognize everyone who has served in the U.S. Armed Forces.

You can honor veterans by:

Attending a local ceremony or parade
Displaying the American flag
Listening to veterans' stories
Supporting veterans and their families
Saying "thank you" and expressing sincere appreciation
A thoughtful conversation or simple gesture can mean a great deal.

A Message of Gratitude

"To all who have served: thank you for your courage, your commitment, and your service."
