Summer 2020

FireSafe Marin + Mountain Emergency Team MWPCA Needs Volunteers | July 23rd FireSafe Webinar

REVIVING THE MOUNTAIN EMERGENCY TEAM Volunteers Needed

In addition to organizing our own **Mountain Emergency Team**, the MWPCA is working with Marin County Fire Department Chief Jason Weber and Southern Marin Fire Protection District Chief Tubbs, and FireSafe Marin, to enable our community to be prepared for the current fire season. **Chipper Weekend (July 11-12)** is an immediate result of that cooperation. The two fire departments came together to find funding for the chipper program.

MWPCA is spearheading the effort to make the whole Muir Woods Park community part of **National Firewise USA**, locally coordinated by **FireSafe Marin**. This will provide our community with a robust public education program for wildfire preparedness, prevention, and mitigation. They also promote, coordinate, and support the national Firewise program in Marin County.

We are working with John Hansen, the FireSafe Marin Firewise Liaison, and are **looking for 4 or 5 committed volunteers to lead these efforts and to work together helping to implement it across our whole neighborhood**. There will be a lot of support from FireSafe Marin, so it is much easier to set up and run than it has been in the past.

The MWPCA has decided to revive the volunteer **MOUNTAIN EMERGENCY TEAM**, a community-wide support network of individuals known as Street Liaisons who will represent their immediate residential area (single street, group of intersecting arteries, apportioned sections of Panoramic Hwy, or any lengthy road). They facilitate communication among neighbors, help identify risk and safety issues, encourage cooperative problem solving and help guide emergency-specific actions.

We need to embrace a whole-community mindset. We have a collective responsibility to know our neighbors well enough to determine if someone might need help with communication, mobility, property maintenance or emergency preparedness. A revived MET is an important component of the MWPCA Committee for Safety, Emergency and Disaster Preparedness. The MET Street Liaisons will receive ample direction, guidance and support through periodic information and training meetings. PLEASE VOLUNTEER and for details, please contact Faybeth Diamond at MWPCA@MountTam.org.

We are sponsoring an educational ZOOM session on July 23rd (see info below) to inform our neighbors about FireSafe Marin and the benefits with being involved in this organization. For more information call Linda Sawtelle, MWPCA Board President at 415-806-9936 or email her at linsawt@yahoo.com.

JOIN THE MEETING ON ZOOM

Topic: Wildfire Safety Webinar for Muir Woods Park Community

Time: Jul 23, 2020 06:30 PM
