OYSTERS! BEER!**

We Want You + We Need You!

Since 1936, the MWPCA has been a vibrant community organization run entirely by volunteers. There is an elected Board of Directors, and a handful of neighbors who always pitch in. The Board is responsible for the upkeep and programming for our Clubhouse located on one of the most spectacular pieces of

land in the world.

We Want You + We Need You. How?

Board Elections are in November. Join the Board and help craft the way our organization is run. Send a note to mwpca@mouttam.org for more info and/or if you would like to be on the ballot.

Join/Design a Committee. You don't need to be on the Board to be involved. Come to our meetings on the second Thursday of the month to participate.

Rental Manager. For the first time we can recall, we are looking to hire someone to handle the ever-growing rental business at the Clubhouse. If this position is of interest to you, please contact Linda Sawtelle for more info at rentals@mouttam.org

Neighborhood Chipping in November!

The Marin Wildfire Prevention Authority has just added a neighborhood chipping opportunity for our area. [Please see this link](#) for more information - you MUST register to take advantage of this offer.

Marin Wildfire Protection Agency Fire Safety Programs in Full Gear
Captain Aaron Jarvis of the Marin County Fire Department shared some great news about fire safety projects that have been approved in our area. The first project is a cutting and piling project over a 75-acre area all on State Parks land. Tam Crews completed work in about 5 acres of the project last November and they are planning to re-start work this month. They will likely start this year's work around the ranger house on Panoramic. The second project is funded by the MWPA for roadside clearance on all roads in the County Service Area in our region. This project will generally cover pruning tree limbs vertically up to around 15' and removing small diameter trees and brush along road edges. In addition, the County has engaged Clements Tree Company to remove any Juniper or Cypress Trees which are highly flammable. Contact County Fire at 415.275.1185 for more information. An article in the Marin IJ about fire safety projects may be found [here](#). Please note it may be behind a paywall.

Marin County Emergency Portal

The [Marin County Emergency Portal](#) is a trusted source of information during an emergency and for emergency preparedness. Take a tour of the site, and save it as a bookmark on your computer.

Attend the MWPCA Board Meetings

All members are welcome to attend our Board Meetings, held on the second Thursday of the Month at 7 pm. Send a note for the Zoom Link to mwpca@mouttam.org

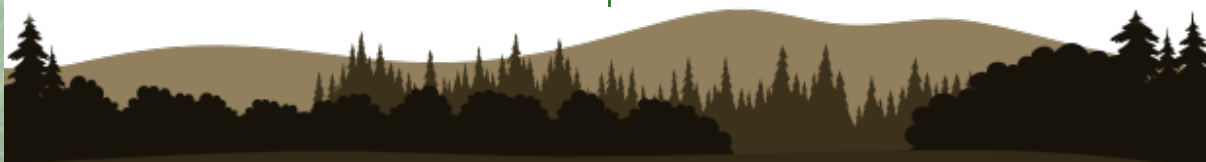

Our Fall Weather...

While not complete, below please find a list of emergency services. Also listed are our local health agencies. Remember, **911** is always the best number to dial in an emergency.
