2021 Newsletter: 2nd Quarter

Dear Friends,

We are excited to share what the Lord has been doing through our various volunteer teams in 2021! Below are highlights from six of the ten projects completed so far this year. We hope you enjoy reading what our Volunteers had to say about the trips and prayerfully consider joining us on a future service project!

God bless,
The Team at Helping Hands International

P.S. Not an HHI financial supporter yet? That's ok, check out our Donate page to see how you can help!
