The Planning Board members were all in agreeance that they would like to keep the Board at a 7-member board instead of decreasing because of new found interest from some residents. Decommissioning of the Met Tower is now complete as of 5/1/2023. Andrew Jeski asked about Saturn Solar returning to the Planning Board and what the status was with them. Town Clerk Amanda Spendley responded with they are waiting for direction from the Town Attorney and Town Board.

The Board engaged in some constructive conversation about the future of the Town of Lincoln Recreational Stand point. They talked about ATV use and Side by Side Use. The Board also discussed wind, solar and nuclear energies with no decisions and/or continuation of the subjects.
