

YOUR HOMETOWN BEER

FAMILY OWNED. COMMUNITY BREWED.

WHO WE ARE

Stettler Brewing Company is a small, family owned brewery built by people who live, work and play right here in the heart of central Alberta.
We're proud to be part of this community—and even prouder to brew beer for it.

BREWED NEXT DOOR

Our brewery is next to the tracks on the southeast side of Stettler. We use Alberta malt and Red Deer River water, as local as it gets!
As a nearby brewery partner, we're always close by and easy to work with.

WHY CARRY LOCAL?

Our customers are proud to drink a product with a story. Made by people, and from products right down the road from them. We want to be your hometown beer.
