New Business

- An agreement was made not to purchase a new generator, which no longer works, for the Shiloh station. The board and chief Coleman came to an agreement to put a chain hoist on the doors so that if the power goes out, they can still raise the doors. The station is not manned, and Desoto Fire 2 would be out of pocket at least $14,000.00 to put a new generator in. If the station becomes maned then we will revisit the issue of installing a new generator.
