Air Freshener Concentrate

Air Freshener

ABOUT THIS PRODUCT

Ultra Professional™ Non-Aerosol Air Freshener uses technology that actually modifies molecular structures to neutralize odors and quickly freshens the air. It is specially formulated with encapsulating technology to trap and remove unpleasant odors.

FEATURES & BENEFITS

Removes odors caused by feces, blood, mildew, urine, vomit, food, and other organic matter. Odor eliminator for use in household areas such as kitchens, restrooms, laundry rooms, drains, pet areas, etc. Also for use in hotels, motels, restaurants, carpet cleaning, dog and cat kennels, decay, decomposition, trash cans, disposal trucks, sewage plants, composts, rendering plants, etc.

DIRECTIONS

Use at the following dilution rates: attach bottle to the ULTRA PROFESSIONAL™ DILUTION CENTER or dilute 1 part of this product to 3 parts of water into a dispenser bottle.

PRECAUTIONARY STATEMENTS

CAUTION: KEEP OUT OF REACH OF CHILDREN. DO NOT DRINK THIS PRODUCT. Deliberate misuse of this product may be harmful or fatal. Do not spray towards face. Contains isopropyl alcohol. Do not spray into open flame.

FIRST AID: in case of eye contact, immediately flush with water for at least 15 minutes while holding eyelids open. If irritation persists, contact a physician. If swallowed, drink a large glass of water or milk and contact a physician. In case of skin contact, wash with soap and water. If discomfort persists, contact a physician.
