## All Temp Dish Detergent

All Temperature Dish Detergent for Automatic Dish Machines

### ABOUT THIS PRODUCT

Ultra Professional™ All Temp Dish Detergent is premium commercial dishwashing detergent that removes food and grease in dish machines. This biodegradable, heavy duty detergent is effective in hot or cold water systems. It is intended for high temperature machines. It is custom formulated with additional chelating agents for extreme hard water conditions.

### FEATURES & BENEFITS

Formulated to remove a wide range of organic and man-made soils from stainless, iron, silver, copper and fine china ware.

### DIRECTIONS

Pre-spray and/or scrape excess food from dishes. Place dishes in the dish rack properly. Place full rack of dishes into the dishwashing machine. Allow dishes to air dry. For best results attach this product to the ULTRA PROFESSIONAL™ DILUTION CENTER.

### PRECAUTIONARY STATEMENTS

**CAUTION: EYE IRRITANT.** Never mix household chemicals. Do not reuse this container for dispensing beverages or other liquids. KEEP OUT OF REACH OF CHILDREN.

**First Aid Treatment:** if swallowed, give a glassful of water or milk and call the Poison Control Center or a physician immediately. Do not induce vomiting. In case of eye contact, flush with water for 15 minutes. If irritation continues, seek medical attention immediately.
