ABOUT THIS PRODUCT

Ultra Fresh® Professional Commercial Laundry Destainer provides excellent de-staining, saving you labor. It is highly concentrated and provides optimum bleaching. Bleach laundry additive for institutional on-premise laundry use only.

FEATURES & BENEFITS

This highly concentrated liquid formula is economical and saves money. It restores whiteness to fabrics and extends linen's useful life. Not for use on permanent press, wool, or non-colorfast fabrics.

DIRECTIONS

Only use in approved Ultra Professional Dilution Center. Installation and service should only be performed by a commercial laundry professional technician. Consult your Ultra Professional dealer for detailed instructions for your specific application. Always follow proper procedures when replacing empty containers.

PRECAUTIONARY STATEMENTS

DANGER: CAUSES SEVERE SKIN BURNS AND SERIOUS EYE DAMAGE. Wear protective gloves and eye protection. Wash hands thoroughly after handling. Use with adequate ventilation. Do not breathe mist. Do not mix with other cleaning products or chemicals as irritating fumes may result. Dispose of contents and container in accordance with local and national regulations. **KEEP OUT OF REACH OF CHILDREN.**

First Aid Treatment: if swallowed, rinse mouth and drink a glass of water. **DO NOT** induce vomiting. If on skin, remove contaminated clothing and rinse skin with water. Wash clothing before reuse. If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and continue rinsing. Call a physician or the Poison Control Center immediately. If inhaled, move the person to fresh air and call a physician or the Poison Control Center immediately.
