UNIVERSAL COLLEGIUM OF FACULTY, MENTORS AND INDUSTRY EXPERTS

UCFMIE — Global Fellowship & Professional Recognition Body

Operating under the auspices of Mc Stem Eduversity (ISO 9001:2015 IAF Certified)

Welcome to UCFMIE

The Universal Collegium of Faculty, Mentors and Industry Experts (UCFMIE) exists to recognise, honour, and connect exceptional individuals who have demonstrated outstanding achievement and tangible impact across teaching, mentorship, training, research, and industry practice. We provide an international platform for sharing ideas, cross-sector expertise, and breakthrough innovation.

Fellowship is not merely an affiliation; it is a recognised hallmark of professional standing and a commitment to advancing the frontiers of knowledge and practice for the betterment of society. As a Fellow of UCFMIE, you join an exclusive community of faculty members, mentors, corporate trainers, industry experts, and distinguished personalities from arts, science, technology, and industry.

Grade of Membership & Post-Nominal Designation

There is one distinguished grade of individual membership within the Universal Collegium: **Fellow of the Universal Collegium**. Fellows are entitled to use the prestigious post-nominal designation **Fellow, UCFMIE** after their name (e.g., *Dr. John Kigstome, PhD, Fellow, UCFMIE*). Fellowship is conferred for life and is not subject to annual renewal.

Eligibility Criteria & Professional Standards

Candidates must satisfy rigorous criteria demonstrating high professional standing and tangible impact:

- **Professional Standing & Distinction:** Notable personality or expert recognised for excellence and innovation in arts, science, technology, engineering, or industry.
- **Educational & Professional Background:** Renowned Industry Professional, Teacher, Faculty member, Mentor, Research Scholar, or Corporate Trainer with advanced academic qualifications.
- **Proven Impact:** Demonstrable track record of significant achievements in research, innovation, teaching, mentorship, or industry practice influencing policy or societal needs.
- **Collaborative Engagement:** Active involvement in interdisciplinary or cross-sector collaborations resulting in measurable outcomes.
- **Community Contribution:** Demonstrated willingness to actively participate in mentoring, networking, and sharing expertise.

Rigorous & Transparent Application Process

1. **Eligibility Self-Assessment:** Candidates internally verify that they meet all mandatory criteria prior to formal submission.
2. **Profile Submission:** Complete the official UCFMIE application form via the Mc Stem Eduversity portal with supporting documentation.
3. **Scrutiny by Membership Committee:** Thorough internal review verifying qualifications, credentials, and professional experience.
4. **Evaluation by Academic Council & Jury:** Final review against selection criteria and recommendation made to the Governing Body.
5. **Final Approval & Conferment:** Formal approval by the Governing Body, issuance of unique ID certificate, and formal conferment.

Comprehensive Membership Benefits

- **Official Fellowship Certificate & Insignia:** Certificate with unique identification number and hard copy medal.
- **Prestigious Post-Nominal Designation:** Right to use *Fellow, UCFMIE* on professional correspondence, CVs, and publications.
- **Global Recognition:** Profile featured on official UCFMIE and Mc Stem Eduversity digital media channels.
- **Conference Leadership Opportunities:** Option to serve as Chair, Co-Chair, Main Lecturer, or Keynote Speaker at conferences.
- **Global Networking:** Access to an exclusive international network of faculty, mentors, trainers, and industry leaders.
- **Lifetime Affiliation:** A one-time prestigious recognition requiring zero annual dues or renewal fees.

Administrative Fees & Governing Framework

UCFMIE charges a one-time lifetime fellowship fee. **There are no annual dues.**

Currency / Region	Lifetime Fellowship Fee
Indian Rupees (INR)	■5,000
