West Ridge Men's Golf Club

2027 Code of Conduct

The purpose of the WRMG code of conduct is to establish baseline expectations for our members. We are all expected to conduct ourselves in a professional and courteous manner while representing WRMG. We are guests at the courses that we have selected to play each season.

1. **WRMG members shall not throw clubs or balls out of anger or frustration during a round. This is not the same as gently tossing a wedge to the side of the green in preparation to putt. We all know the difference.**

2. **WRMG members are expected to treat all course employees and staff with respect. If you are asked to speed up your pace of play, you are expected to respond courteously. Talking back or swearing at course staff will not be tolerated under any circumstance.**

3. **WRMG members are expected to maintain pace of play to keep up with the group in front of you. Most courses we play have an expectation to play 18 holes within 4:15. Slow play by our members is not acceptable.**

4. **Excessive swearing will not be tolerated. We have all played with the person that can't play a hole without swearing or dropping multiple F bombs out loud. That really is no fun for playing partners. If you feel the need to swear after a poor shot, keep it to yourself. Remember, there are other players on the course that don't want to hear you.**

5. **We all know that golf is a game of honesty and integrity. Reporting and/or recording an incorrect score, not counting penalty strokes, dropping a ball without a penalty when one should be recorded, improving your lie, taking unauthorized relief by moving your ball out of a divot or brush are all examples of undermining the honesty and integrity of the game. These have no place in our club and are not acceptable.**

I acknowledge and understand the above code of conduct expectations to be a member of the West Ridge Men's Golf Club. I understand that first time nonconformance to these expectations will result in a written warning. I understand that following a written warning any further nonconformance to these expectations will result in removal from the club.
