## Glass and Surface Concentrate

Glass and Surface Cleaner

### ABOUT THIS PRODUCT

Ultra Professional™ Glass and Surface Cleaner Concentrate is a strong, fast-acting detergent and degreaser for cleaning all washable hard surfaces.

### FEATURES & BENEFITS

Concentrated Product: Dilute before using. 1 gallon makes 32 gallons of diluted product. Attach this product to the Ultra Professional™ Dilution Center.

### DIRECTIONS

**GENERAL CLEANING DIRECTIONS:** apply to hard non-porous and glass cleaning surfaces. Spray 6-8 inches from surface. Wipe with a paper towel, or a lint free-free cloth.

Use at the following dilution rates: dilute 1 part of this product to 31 parts of water into a spray bottle using the Ultra Professional™ Dilution Center.

### PRECAUTIONARY STATEMENTS

**CAUTION: KEEP OUT OF REACH OF CHILDREN. DO NOT DRINK THIS PRODUCT.** Deliberate misuse of this product may be harmful or fatal. Do not spray towards face. Contains isopropyl alcohol. Do not spray into open flame. It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not breathe spray. CONTAINS NO PHOSPHATE.

**FIRST AID:** in case of eye contact, immediately flush with water for at least 15 minutes while holding eyelids open. If irritation persists, contact a physician. If swallowed, drink a large glass of water or milk and contact a physician. In case of skin contact, wash with soap and water. If discomfort persists, contact a physician.
