Private Movie Screening

The Waldo Theatre is pleased to offer a Private Movie Screening as a raffle prize for

Lincoln County 100+ Women Who Care

(Value $1550)

The winner selects a film and hosts a private screening in The Waldo's historic 1936 Art Deco theatre, with the full 290-seat house available for their guests.

A private movie screening at The Waldo is a memorable experience, and the winner gets to decide who fills those seats! It could be the centerpiece of a family reunion, a milestone birthday or a gathering for a favorite group or organization (Lincoln County 100+ Women Who Care included, of course!).

The winner will work directly with The Waldo to choose a film and confirm a date. Film selection is subject to availability under The Waldo's licensing agreements, and excludes first-run theatrical releases. The screening date will be scheduled in coordination with our programming calendar. The Waldo handles all logistics: staffing, projection, and concessions.
