Manual Dishwashing Detergent

Dishwashing Detergent

ABOUT THIS PRODUCT

Ultra Professional™ Manual Dishwashing Detergent is a concentrated product for use in busy commercial kitchens that allows you to manually intensify cleaning power so even those old cooking trays will come out sparkling. It rapidly removes those tough, stuck-on food particles and leaves dishes shining bright.

FEATURES & BENEFITS

Ultra Professional™ is a premium hand dishwashing liquid that is tough on proteins, starches, fats, and oils. It's long lasting suds rinse quickly, easily and cleanly. For use in institutional kitchens, restaurants, hospitals, nursing homes and schools.

DIRECTIONS

Pour dish detergent into sink and fill with water. Use 1 oz. of detergent per gallon of water.

PRECAUTIONARY STATEMENTS

CAUTION: EYE IRRITANT. Never mix household chemicals. Do not reuse this container for dispensing beverages or other liquids. **DO NOT DRINK THIS PRODUCT. KEEP OUT OF REACH OF CHILDREN. NOT FOR AUTOMATIC DISHWASHERS.**

First Aid Treatment: if swallowed, give a glassful of water or milk and call the Poison Control Center or a physician immediately. Do not induce vomiting. In case of eye contact, flush with water for 15 minutes.
