Let Your Light shine

"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16 *** There are special people in this world that need to be commended for their good deeds. They serve God by lovingly serving others.

Don and Margaret Valle celebrated their 48th wedding anniversary on August 19th. Both retired, Don worked at Exeter Union High School for the last 20 years after working as a plumber for 25 years before that. Margaret worked as a home health aide for 20 years and raised their 2 children, Jason and Melissa. When they were newly married, they decided that Don would be the main cook for the family and Margaret would take care of the yard work! If you have attended any potluck you know that many head to the desert table first to get Don's homemade ice cream! They were baptized by Bob Padgett in the Farmersville Church of Christ and began attending in Exeter in 2004. When their children were young, they were leaders in Cub and Boy Scouts and started a group of Girl Scouts in Exeter. When their children were older, they were active in FFA. Due to health issues, Don and Margaret are quarantined at home.We miss them and look forward to the day when they can return to worship with us!
