Closing Gift — a complimentary gift for your buyers

Communication sent to all agents — October 25, 2026

Team,

New complimentary service for your closings: a 3D-printed relief plaque of your buyer's new home — the front of the house in relief, with a marquee at the bottom carrying the family's name, like "Emeline's Home" in the example below (one we just made).

It's complimentary — there's no cost to you.

To get one for a closing, just email me (Sasha) with:

1. The property address
2. Exactly what you want the marquee to say — "The Doe Family," "Josh's House," whatever fits your clients

One condition: I need your email **at least one week before the closing**, so I have time to prepare it and have it ready for you.

Thank you,

Alain

Example: "Emeline's Home" — relief plaque of the buyer's new home.
