Personal Protective Equipment & Healthcare Products Intake Form (U.S. & International)

17 Commerce's affiliated independent business professionals have worked with Fortune 500 companies to rising startups, in multiple industries, around the world. Through this depth and breadth of experience, broad networks in the healthcare and supply chain industries have been developed – especially related to PPE and additional products to mitigate the spread of Covid-19 and other diseases.

We thrive on being facilitators – utilizing our networks and relationships to match you with products to meet your needs, whether you are healthcare providers, companies, nonprofits, government agencies, or other entities. Our goal is to identify and source products for you at the best price possible at any given time – through relationships with 23 U.S. and international manufacturers, directly or with their authorized agents. Accessibility to large production and/or allocation purchases include a full suite of products from manufacturers such as BYD, BGI, Cabbeen, INTCO, and Plus Medical, as well as more specific products from 3M, Health Pro, Cardinal Health and more. We also have exclusive access to unique, beautiful and fun designer masks, as well as exceptional mask facial spacers that help breathability and talkability while wearing masks.

To start assisting you, please fill out the information below regarding your needs. Are you? (Check any that apply.)

☐ Buyer or direct agent for buyer ☐ Seller or direct agent for seller ☐ Middle of supply chain
