Introduction and Explanation of How the Notice and Affidavit Affect Your Status
By Kim Delayne Paddock

When you are finished reading this introduction, Notice, Affidavit and exhibits, you will understand how you have legal, lawful authority to remove or disable destructive technology such as 4G, 5G, 6G, Data Centers etc. as a national operating under common law. The current maritime law system has no authority over you any longer as you are now outside of their jurisdiction.

While this Notice started with a hemp seed, it bloomed into the need to free not just a plant, but all the people trapped by this system of lies. If the people aren't free from this mafia "government", this plant species will never be free either. This mafia would destroy an industry that threatens their Satanic corporate structure and provides jobs and income for many people and farmers, and this industry is expanding more every year. The healing powers of the cannabis species is undermining their pharmakia narrative as the elements of cannabis like CBD and high frequencies from this plant species are healing so-called "incurable" diseases that they are causing us to have including cancer, arthritis, COPD, eczema, heart disease, mental disorders, the wide range of HIV/AIDS diseases and more. It's all or nothing at this point.

The preceding Notice was compiled due to the false "government" agents attempts to make hemp CBD and Cannabis Sativa L. "illegal" again for the most ridiculous reasons. In a letter from the National Association of Attorneys General written on October 24th, 2025, they claim that somehow natural hemp CBD can be broken down into "synthetic" forms of delta-8 and delta-10 THC's that harm and have killed children. This is, of course, one big lie after another, and I take this narrative apart in the first section of my Notice. The Notice gets better from there as it breaks down the slavery system that these agents have placed us under in plain terms. By trickery and deception, these agents have enslaved us. We are born into a cult, and the truth is the opposite of what we have been taught including that cannabis is somehow "bad" when it is a gift from God almighty according to the Genesis 1:29-30 of the Septuagint LXX.

As an introduction, I am Kim Dealyne Paddock, a woman born on terra firma (the earth) under common law which includes God's common law and natural law. I am a national, not a "U.S. citizen" who is enslaved under BAR agent Lincoln's 13th and 14th Amendments. I am outside of their maritime law jurisdiction, and they cannot prosecute me in their courts. They have tried and failed since they have no jurisdiction over a national and can only prosecute "U.S. citizens" who are enslaved.

I am from the Paddock founding family, and my greatest grandfather, Robert Paddock, came here in 1634. He served as a constable under common law, the Maxims of Law. This country was free and equal at that time, and the Maxims of Law covered the entire nation and are easy to understand. The Maxims are written in the plain language that is required in common law.

I have been a paralegal off and on since 1997. I have been involved with federal actions and civil actions mostly. I have witnessed the corruption of their maritime admiralty law system for decades. I've seen how these "politicians", BAR agents, and judges have bought and sold us for years. No real common law government could or would ever do what these agents have done to Americans under false authority and under color of law, which is the appearance or pretense of legal authority that they do not have. They are actors and great pretenders.

I studied a multitude of ways that people have tried and failed to take this country back from these Satanic actors that operate under maritime law, not common law. I finally came up with a way to do so as a civil matter. Unlike a criminal matter, a civil matter is not a crime, so their corporate police cannot interfere. I can lien and seize the real property of these government agents for violations of my God-given PROTECTED constitutional rights as per the Fee Schedule that is attached to the Notice that follows this introduction. I followed the Maxims of Law, so everything is legally, lawfully covered by my status as a national under common law. Government BAR agents were legally served the Notice, Exhibits, and attachments including the Fee Schedule on November 5th, 2026. In the Maxims of Law, an unrebutted affidavit becomes a judgement in law after 30 calendar days, and my affidavit annuls and repeals BAR agent Lincoln's illegal, unconstitutional 13th and 14th Amendments that made nearly every American a slave under federal law to this day. Your status is now a national operating under common law should you accept it after reading these documents.

The Notice, affidavit and attachments that I sent to the National Association of Attorneys General in Washington, D.C. address your new status as a national should you accept it. The American people have been enslaved under false authority and work trickery by BAR agent Abraham Lincoln's 13th and 14th Amendments and placed into "voluntary servitude" under the 14th Amendment. It is important to know that everything that we have been taught about Abraham Lincoln is false. He was placed into office by the Rothschilds in part to erase knowledge of the original 13th Amendment and replace it with his own 13th Amendment. The original, unrepealed 1819 13th Amendment states:

Amendment XIII: "If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honour, or shall without the consent of Congress, accept and retain any present, pension, office, or emolument of any kind whatever, from any emperor, king, prince, or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them, or either of them."

This original, unrepealed 13th Amendment would have kept "esquires" (attorneys) and "Your Honor" (judges) out of office as these are titles of nobility. Titles of nobility in other countries are what enslaved people in the past, and the original 1819 13th Amendment placed every American on even ground under common law with no authority above us other than almighty God. The British Crown BAR, the BAR Association (attorneys, lawyers) would not be able to take over nearly every office and corrupt this entire government like they have done. Every attorney takes an oath to the British Crown corporation which is a foreign entity that now controls this country and robs Americans blind. We see the result of what BAR agent Abraham Lincoln has done to this day, which would have been impossible under the original 1819 13th Amendment. A more thorough explanation of what BAR agents have done is in the Notice.

Here is an explanation of how Lincoln's 13th and 14th Amendments enslaved every American:

BAR agent Lincoln's illegal, unconstitutional 13th Amendment was put in place without the original 1819 13th Amendment being annulled and says:

"Neither slavery nor involuntary servitude, except as punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction."

> ‘Slavery’ and ‘involuntary servitude’ are expressly prohibited. What is left out is ‘voluntary servitude’ which is LEGAL BY OMMISSION.

BAR agent Lincoln's illegal, unconstitutional 14th Amendment was not legally ratified and was put in place by military force by Lincoln and says:

"All persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the States wherein they reside. No State shall make or interfere any laws which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

The first sentence in the 14th Amendment is the foundation of the "constitutional rights" that everyone refers to. We were bestowed with "God Given Rights", PROTECTED by the Constitution under common law. "God Given Rights" and "Civil Rights" are mutually exclusive. You either have God given common law rights, or you have Civil Rights that remove your God-given common law rights and enslave you under the federal government.

One word in the first sentence is revealing: "AND". The 14th Amendment does NOT say: "All persons naturalized in the United States ARE subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside." If some are 'and subject to the jurisdiction thereof' there must be some who 'are NOT SUBJECT' to the openly stated SINGULAR jurisdiction.
Notice that the 13th Amendment is PLURAL, and the 14th Amendment is SINGULAR, "the jurisdiction thereof". Do you see the transition to the two-tier form of government? Divide and conquer. There become two classes of citizens, and their own case law in the Notice proves it.

The two questions that you have been asked that have shaped your life are: 1."Are you a citizen of the United States?" And 2. "Are you a resident?"

In legal terms, question 1 is asking if you are related to negro slaves who are assigned 'federal citizenship' with 'civil rights' following the Civil war? If you answered "Yes" to the question "Are you a citizen of the United States?" You have placed yourself into a federal citizenship with only Civil Rights. Your God-given PROTECTED constitutional rights under common law are terminated "voluntarily" by you. You have entered the "voluntary servitude" that is imposed on you by the word trickery of the 13th and 14th Amendments. Remember that 'voluntary servitude' is allowed by OMMISSION in the 13th Amendment.

In legal terms, the question "Are you a resident?" means: Are you residing in a state and requesting protection from the federal government against any actions of your state? By answering "Yes" to these two questions, you have given the federal government YOUR CONSENT to be a federal U.S. citizen slave with no God-given Constitutionally PROTECTED rights. You are ALLOWED only Civil Rights which mean nothing. You are now in the feudal system that BAR agent Lincoln imposed on every American through trickery and deception. In other words, he freed NOBODY and enslaved EVERYBODY. I recommend that you read "Lincoln Unmasked" by Thomas DeLoenzo for the real story on how Lincoln took over this country through blackmail, murder, deception, and jailing people who opposed him. The Rothschilds got their way. Every corporate "president" from Lincoln on is an agent for the British Crown corporation.

The corporate government agents also want to deceive the American people into believing that there are only two options available for a citizenship status in this country when there is a third option: to

become a national. They claim that being a federal “U.S. citizen” slave under the 14th Amendment, or to be a “state national” are the only two options that Americans have in their own case law. A “state national” means that your Constitutional rights are bound to you only in the state in which you are domiciled. A “national” is an American whose Constitutional rights follow them no matter where they are in the United States of America. Since the illegal, unconstitutional 13th and 14th Amendments are terminated as of December 5th, 2026, you are no longer enslaved by them. You are now a national if you choose to be. You are out of their maritime law jurisdiction. This is important to understand.

There is much to discuss in this document. One is the legal, lawful matter, and the second is the civil matter. What my affidavit that is attached to the Notice achieves is to provide remedy to the American people where there is no legal remedy available, and when unrebutted point by point within 30 calendar days by the Attorneys General BAR agents starting the 5th of November 2026, becomes a legal judgement for those who choose to be nationals and NOT "U.S. citizen" slaves with no rights and is summarized as:

Section 4) Under the power and authority of almighty God, gives us back the right to every seed-bearing plant as is stated in Genesis 1:29-30 of the Septuagint LXX, and gives back the right to be called MEN and WOMEN, not “things” or “goyim”, (cattle) as the Kazarian Jews call us who are agents that claim to own us.

6b) The attached Fee Schedule on the Notice that outlines the cost of violation of rights applies to every national. We are the creditors now, and they are debtors. When you serve or hand out this introduction, Notice, and attachments to their officials, tell them that the attached Fee Schedule applies to you immediately. If any of them still decide to jail you, they can personally owe you whatever fee that you attach to any of the violations listed on the Fee Schedule.

7e) All crimes without a victim are to be abolished and expunged from the record. The illegal, unconstitutional 13th Amendment established by BAR agent Abraham Lincoln set Americans up to be prosecuted for crimes without a victim and to enslave every American is repealed, revoked, annulled. Under common law, a crime must have a victim. That applies to you as a national.

9) The illegal, unconstitutional 14th Amendment that has enslaved Americans through word trickery and deception is repealed, revoked, annulled. NOBODY is now considered a federal "U.S. citizen" slave unless they wish to be one and to have no rights whatsoever. They can remain "goyim", cattle, for the Kazarian Jews. You are, by default, a national now if you choose to be.

10) The original 1819 13th Amendment stands as it was never annulled. Titles of nobility such as “esquire” and “Your Honor” are forbidden in public offices, and these government BAR agents are no longer citizens of this country. They are foreigners invading our country under false authority and under color of law.

10b) Remedy is provided to Americans by reinstating the legal, unrepealed 1819 13th Amendment that was indeed ratified by Virginia which reads:

Amendment XIII: "If any citizen of the United States shall accept, claim, receive, of retain and title of nobility or honour, or shall without the consent of Congress, accept and retain any present, pension, office, or emolument of any kind whatsoever, from any emperor, king, prince, or foreign power, such

person shall CEASE TO BE A CITIZEN of the United States, and shall be incapable of holding any office or trust, or profit under them, or either of them."

16a) Forbids attaching corporate fictions to the American people to control and prosecute them under color of law as this violates the Supreme Court ruling in Penhallow v. Doane's Administrators which states:

NO CORPORATE JURISDICTION OVER THE NATURAL MAN.
"Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating or attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court etc. Can concern itself with anything other than corporate, artificial person and the contracts between them."

17a) Government agents, such as attorneys and judges, are removed as executors, trustees, and/or administrators of the estates and trusts that were formed in our names without our knowledge or consent for failure to protect. These trusts and estates are to be turned over to nationals under the conditions stated in the affidavit. These trusts and estates are explained more fully in the Notice and affidavit.

18a) Abolishes birth certificate slave contracts in America. When The United States went bankrupt in 1933, the Rothschild-owned banks wanted collateral against this bankruptcy that they orchestrated. The American people became the collateral by using Birth Certificates which are a baby slave contract that almost nobody is aware of much like the slavery of the 13th and 14th Amendments.

19a) All "vaccines" are to be removed from every source in the United States immediately, including injections, oral, or skin contact "vaccines" for Americans, nationals, pets, farm animals etc. There are no studies that prove effectiveness of any "vaccine", and the evidence of harm and death from the recent COVID "vaccine" bioweapon is overwhelming proof of the intent of this false "government" agents to harm, maim, and kill Americans while profiting from their deaths. My years of research on the COVID bioweapon can be seen at: www.kimpaddock.com.

20a) Removes all intentional sources of poisons, parasites, heavy metals, sprays, GMO's, technologies such as mRNA and CRISPR-Cas9 etc. This technology is to be demolished and abolished.

20b) Removes FLOCK and other spyware that is on phones, computers, internet and elsewhere.

21b) Forbids the use of harmful frequency-energy weapons such as 4G, 5G, and 6G, cell phones, servers, transmitters, data centers, etc. from all sources. These weapons can be removed by nationals according to the Maxims of Law.

22b) Forbids wars against other countries and nations as this violates the common law duties of our military and/or militias which is: to protect our borders from invasion, and to protect America from infiltration of enemies from within.

24) The "draft" into their mercenary military industrial complex is removed. The soldiers that are currently in this deception are free to decide who they wish to protect and serve. If they decide to be nationals and serve with other nationals under common law, they cannot be prosecuted for their

decision to leave the maritime law jurisdiction “military” if they remove themselves from the maritime system of law by filing two pages with the National Secretary of State to be a national under common law which removes the "U.S. citizen" slave status established under the illegal, unconstitutional 14th Amendment. Documents and instructions which are a total of 3 pages are on www.governmentslavery.com. Members of their military can provide a copy of the Notice, attachments, and proof of your new status to their commanding officers and declare themselves as nationals, not as "U.S. citizens." The terms of the Fee Schedule that is attached to the Notice apply to members of their military industrial complex. Former military personnel are welcome to join the American nationals under common law to serve this country as they were supposed to do.

26b) No cannabis shall be restricted or prohibited from the American people, and no part of this plant species shall be considered “illegal” or shall be “owned” by corporate agents. Cannabis is a gift from almighty God to mankind according to Genesis 1:29-30 in the Septuagint LXX.

27) Declares that the reason that “synthetic THC” called Marinol/Dronabinol is not restricted by the DEA’s own Schedule One rule that says ALL THC is “illegal” is because it is actually not THC in any way, but is a deadly, toxic DETERGENT labeled as “Marinol”. Safety Data Sheets that are provided with the Notice are evidence of this crime against humanity. ALL of the ingredients of Marinol fall into category 4, which is the deadliest category that there is. Marinol also contains sodium salts which are cyanide. These are the same salts (sodium on packaging) that are in food products that Americans and others eat nearly every day. This constitutes capital crimes including intentional murder by prescription poison, and the punishment under common law can be death. Sentences are carried out quickly under common law. There will be no 20-year appeals on death row.

27e) Stops further marketing of Marinol/Dronabinol aka “synthetic THC”, and Epidiolex, “synthetic CBD” as both drugs are deadly chemicals as the evidence in the Safety Data Sheets attached to the Notice proves.

27g) Stops hemp businesses from being shut down or destroyed in any way or treble damages apply.

29) Declares that "government" agents violate my Freedom of Religion and the God-given rights in Genesis 1:29-30 of the Septuagint LXX which gives every seed-bearing plant to mankind. They are not God.

30a) Corporations that are being used to protect and hide the assets of agents shall be audited. Corporations are no longer a shield for agents to use to protect assets from lien, seizure, or forfeiture. Many corporations including "non-profits" are being used to wash money from illegal sources as well including human trafficking and drugs.

33) The attached Fee Schedule for violations of my Constitutional and other rights provides remedy for myself and is effective immediately upon legal service of my Notice to government BAR agents at the National Association of Attorneys General in Washington, D.C., which was the 5th of November. Notice to agent is notice to principle; notice to principle is notice to agent.
If, on November 12th,2026, the government BAR agents decide to make hemp CBD and/or Cannabis Sativa L. (hemp plant) illegal or restricted in any way, the fee for violating my due process and religious freedom will be 1 billion dollars per incident. The government BAR agents cannot promote a ban the cannabis plant, the seeds, growing, farming, or hemp businesses due to the ridiculous and

untrue reasons that they state in a letter that the National Association of Attorneys General put out to judges and others on October 24th, 2025.

The United States Attorney General Todd Blanche has been notified. He is head of the United States (inc.) Justice Department and is the chief law enforcement officer of their federal government. He is the principle legal advisor to the corporate president on all legal matters and was placed in office by him. He had and has the ability to stop the chemtrails, making cannabis illegal or controlled, allowing deadly chemicals, parasites, technology etc. into our food, water, air and drug supply. He knows what is happening as he is part of their cult. He is operating under false authority and under color of law and has shown no signs of stopping. This constitutes capital crimes under common law which include treason, murder, aiding and abetting the enemy etc., and the penalty in this case can be death.

Private detectives may be required to find out who these agents really are since no legal identification has been shown by them in nearly every case. BAR agents such as judges have no legal, notarized oaths of office on file, which means that we have no idea who they really are, and they are impersonating judges. The same holds true for all "government" BAR agents, members of Congress, the Senate, etc. They are all Satanic actors who pretend to operate as “our government” which they are not.

I have a document to give to accountants that lists account numbers and locations of gold and silver that this mafia government and other agents have stolen from people including nationals. No matter where this gold and silver is kept, it should be seized if it is attached in any way to government BAR agents and others in this corporate “government” in America that are fully aware of the fraud that they are committing against the American people. This gold and silver can back our money so that it can regain its value and assist the most impoverished Americans at this time. Much of this gold was stolen from Americans in the 1930's under false authority, Fort Knox was raided and emptied by them, and there are many more incidences of theft of precious metals and more.

The civil matter and the legal, lawful matter are outlined in the Notice to Attorneys General, BAR agents and other agents concerning cannabis hemp CBD and/or Cannabis Sativa L. becoming “illegal” again under false authority and against God’s word in Genesis 1:29-30 of the Septuagint LXX. They are not God; therefore, they have no authority to take God’s gifts away from his people.

Maxim 49i.-” The Christian religion is part of the common law.”
Maxim 49L.-” That which is against Divine law is repugnant to society and is void.”
Maxim 51o.-” All political power is inherent in the people by decree of God; thus, none can exist except it be derived from them.”

The Legal, lawful Matter:

Everyone is encouraged to copy the Notice in its entirety, including this document, and use it to educate others and/or carry a copy with you as evidence. Study the Maxims of Law. The Maxims are easy for anyone to understand unlike many of the over 60,000 rules, codes, laws, mandates etc. that the corporate “government” has had the American people enslaved under in their maritime law system.

None of the Notice and attachments shall be sold for profit in any manner. It is free for anyone to download and print, or it is to be supplied in complete printed form to people for the cost of printing,

binding, and shipping only, or as a gift to the poor. You can find the documents at: www.governmentslavery.com.

Other sources of information concerning common law and the current slavery system include books such as: The Maxims of Law by Charles A. Weisman, Common Law Handbook For Juror's, Sheriff's, Bailif's, and Justices at nationallibertyalliance.org, The Common Law by Oliver Wendell Holmes, 1881, Excellence of the Common Law by Brent Winters, United Slaves of America by John Benson, and From Sovereign To Surf by Roger Sayles. Educate yourself. Quick answers will not educate you; only your own research will. NOTE: If Americans wish to know if your change in status from a "U.S. citizen" to national will affect your Social Security or disability benefits, it will not. Current nationals who have legally changed their status are requested to help educate people.

There are two simple forms that people can fill out and send to the National Secretary of State in Washington, D.C. that officially remove you from the "voluntary servitude" of their 14th Amendment and states that you wish to be a national instead. This is very simple to do. These three pages can be seen and printed from www.governmentslavery.com . Once this is done, they cannot send their I.R.S. after you either if you are a business owner. They tried to come after me and failed. Their own I.R.S. codes state that they only have authority over U.S. citizens, and I am no longer one. The higher the number of people that officially opt out of their system, the better. You are officially free from being a U.S. citizen slave after December 5th when the 30-day response time is over anyway but making it official gives you documentation and proof of your status and helps collapse their system faster.

No American can be forced into freeing themselves from the slavery imposed upon them by BAR agent Lincoln's illegal, unconstitutional 13th and 14th Amendments. If anyone wishes to remain a federal "U.S. citizen" slave, they are allowed to do so. They can remain trapped by the corporate "government" agents and have no rights as is pointed out in their own case law. I only provide remedy to become free from this slavery. "There are none so hopelessly enslaved as those who falsely believe they are free." Goethe.

Common law: Maxim 47g-" All men are either freemen or slaves."

The Power of the Affidavit:

The following Maxims of common law explain what happens when my affidavit is unrebutted after 30 days:

Maxim: "An affidavit is a court." In this context, the affidavit serves as the court, rendering a judgment based on the truth presented therein.

Maxim: "An unrebutted affidavit becomes the judgment in law." If a government or any party fails to respond to an affidavit point by point within 30 calendar days, it is considered the binding truth between the parties involved.

Case law: Sampson v. Channell, 110 F.2d 754, 762 (1st Cir. 1940): This case reiterates that an affidavit stands as truth unless specifically rebutted. The government, like any other party, is bound to respond to an affidavit in a timely and substantive manner. Ignoring it does not extinguish its validity; instead, it acknowledges the claims are true.

XXV. Foundations of Law- D. Vattel's Principle: Governments Cannot Alter Fundamental Law.
Emer de Vattel, in the Law of Nations, affirms that government power is derived from the PEOPLE and limited by natural law. Governments cannot arbitrarily alter fundamental legal principles, such as the binding nature of an affidavit. Vattel argues that power assumed without delegation is usurpation. (The taking of a position of power or importance unlawfully or by force.)…

As stated in The State v. Post, 20 N.J.L. 368, 370 (1845), "A court can only declare what the law is, and whether consistent with the law of God, and the fundamental or constitutional law of society." The law here is clear: an affidavit left unrebutted becomes the binding judgement between the parties.

There is no "judge" in the case of my Notice to the Attorneys General BAR agents as it is a legal affidavit that becomes a judgement in law after 30 days if unrebutted. Remedy is a very important component of law. Remedy means that their court system has provided no legal mechanism such as damages, injunction, or other relief to address the harm or wrong in question even if it violates your rights.

Where there is no remedy available, I supplied it in my affidavit. Where there is no compensation remedy, I provided one with the Fee Schedule. Where there is no remedy available for the continuous violations of Constitutional Rights, (which are God-given rights that are PROTECTED by the Constitution) against the American people, including myself, I supplied one in my affidavit. Where there is no remedy for Americans that are enslaved under the illegal, unconstitutional 13th and 14th Amendments as "U.S. citizen" slaves, I supplied one by annulling them. Desperate times call for desperate measures. Extreme and unconventional actions that would otherwise be unacceptable may become necessary or justified according to the Maxims of Law. I did what I had to do to stop the intentional destruction of every living thing and the genocide of mankind that is being perpetrated against the people in America under color of law and under false authority by a series of death cults that operate as a corporate "government" which it is not. This is a spiritual war against mankind, and it must stop with the word of almighty God and with the Maxims of Law. Slaves no more.

Maxim 71j.-" The welfare of the people is the supreme law."
Maxim 83b.-" What is necessary is lawful."
Maxim 83h.-" Necessity overrules the law."
Maxim 94x.-" Extraordinary conditions may call for extraordinary remedies."

What this means is that as a national who has taken an oath to be a public servant for Americans, I have the authority that is provided in the Maxims of Law to free Americans from the slavery imposed upon them by Rothschild BAR agent Lincoln's 13th and 14th amendments which were in no way legal or lawful and to place Americans under common law once again.

Due to the seriousness of the current situation involving the destruction and murder of the American people, including myself, by use of weapons deployed upon us including but not limited to: intentional poisoning, the introduction of deadly disease-causing parasites, chemtrails that contain a bounty of hazardous chemicals, heavy metals, nanoparticles, technology etc., 4G, 5G, 6G destructive frequency

weapons, HAARP weather weapons, Data Centers, etc., I have appointed myself as a public servant volunteer under common law. I am an officer who shall serve in whatever capacity that is required of me at this time, but my appointment is temporary. I am a national, not a "U.S. citizen", and my status as a national is on file with their Secretary of State in Washington, D.C. I am worthy of this position as I am not a felon or a criminal and am not prone to being blackmailed by the enemy as I have committed no atrocities or crimes that can be used against me. My greatest grandfather was Robert Paddock, who came to this country in 1634 and was a public servant under common law as well. I have no titles of nobility that are forbidden in the legal 1819 13th Amendment such as "esquire" or "your honor". I have a signed, notarized oath that I have taken that qualifies me for public office, and a copy is attached to this Supplement. Those are my credentials. I am at your service during this time of need.

The Original Unrepealed 1819 13th Amendment

"If Any citizen of the United States shall accept, claim, receive, or retain and title of nobility or honour, or shall without the consent of Congress, accept and retain any present, pension, office, or emolument of any kind whatsoever, from any emperor, king, prince, or foreign power, such person shall be incapable of holding any office of trust or profit under them, or either of them."

Your New Status Should You Accept It:

The American people are now free from the "voluntary servitude" of BAR agent Lincoln's 13th and 14th Amendments should you accept it. The Notice has declared them invalid, illegal, and unconstitutional, and they are repealed, annulled, revoked. You are no longer "US citizen" slaves; you are nationals if you wish to be. You are now outside of the jurisdiction of their maritime/admiralty law slavery system. You are now operating under common law, the law of the land, not the law of the sea.

I recommend that every American carry a complete copy of the Notice, including this document, with you wherever you go as you may need to give it to one of their officials including officers, sheriffs, attorneys, and judges. If any official, police officer, or sheriff threatens to arrest you for removing or disconnecting dangerous technology which is covered by 82d) of the Maxims of law, which says: "He is justified who acts in pure defense of his own life or limb, for it is a natural right to do so.", give them a copy of this Notice. Get their name, badge number, or other information about them and take note of the time, date, and place where you gave them a copy. Advise them that a Fee Schedule is attached and that it applies to them. These officials can be personally liable for the cost of the violations listed on the Fee Schedule, and their personal property can be seized. They only have the power and authority that you give them. Be polite and calm. This movement depends on your discretion. Many government employees have no idea about the "government" corporation that they are operating under and are providing much needed services, and they depend on their income. Be kind to them. We will still need many of them to help us transfer their government operations over to common law. Their system reflects a common law system, so this transfer will not be difficult.

I caution everyone not to use your new status as a national as an excuse to break the law in any manner. You can still be held liable under common law, the Maxims of Law, and the penalties can be more severe than those same crimes in their maritime law system. Punishment is carried out quickly under common law as per the right to a speedy trial.

The Unknown Power of the Common Law Jury:

Their maritime law legal system does not allow the jury to be fully informed of its ultimate power and authority in changing the law. A true common law jury has the ability to overturn any laws that it decides are unfair, overburdensome, and unnecessary. In their maritime law system, this would mean that a vast majority of their laws would be deemed to be against the common law and could be thrown out by a properly informed jury. Their system of law mirrors the common law system in many ways including forming juries, but juries in their system are restricted from knowing how much power that they have in shaping the law.

The Civil Matter:

The civil matter outlined in the Notice contains a notarized Affidavit by myself, Kim Delayne Paddock, of the Paddock Founding Family, who acts under the authority of the Trinity; the Father, the Son, and the Holy Spirit. Nobody and nothing has more authority than almighty God. I wish no praise nor gifts be given to me for my service to almighty God and to his people. All praise goes to the Divine Trinity. I serve almighty God first and foremost. I am saved by the blood of the lamb, Jesus Christ, and the Holy Spirit guides me. America is a Christian nation.

My second service is to the American people. I am now an officer in voluntary public service to the American people as was my greatest grandfather, Robert Paddock. Government service under common law was and is to be an act of honor and responsibility that Americans in good standing do for their country mostly for short periods of time. These short terms guarantee that corruption will not take hold and control the process. Being in service of this country as a national means that the 1819 13th Amendment stands.

The property of government BAR agents who have violated my due process and who are bound by the Fee Schedule that was legally served upon them can lose their property which will can be obtained through civil forfeiture, lien, and seizure of property. This process shall be done legally and lawfully under common law. Property that is hidden behind corporations by government agents and other agents in general that are guilty of violating my due process etc. may also be open to liens, seizure, and forfeiture. Property that may be seized because of my civil action can be either auctioned, sold, or held in trust for the use of the American people. Remember, remember, the 5th of November.

I shall require worthy and willing Americans to help me carry out the terms of this civil action. I require your public service as outstanding Americans who are capable to do so under the terms of the 1819 13th Amendment and as nationals. Many others who wish to assist will be required in other areas. There will be many jobs for American nationals to do. Any corporate agents, Masons, Shriners, Muslims, secret society members, members of the Kazarian Jewish mafia etc. who attempt to, or succeed in infiltrating this peaceful movement may face capital charges of treason, espionage, giving aid to the enemy, etc. Be warned. Justice will be swift.

The corporate police are not allowed to interfere with civil matters such as legal lien, forfeiture, and/or seizure of property for the violations outlined in the Fee Schedule. The property that may be confiscated, as in the case of government BAR agents and judges, is that of foreigners who have lost their citizenship and are operating under color of law to deprive Americans of everything that we own. These agents, acting under color of law, have violated and continue to violate due process of law and other Constitutional and God-given rights of the American people. All “Esquires” (attorneys) and “Your Honors” (judges) are no longer citizens or legal residents of America since they have taken an oath to a foreign entity, government, or corporation such as the British Crown. The 1819 13th

Amendment forbids titles of nobility in public office for good reason as we see here today, and this original 1819 13th Amendment stands as it was never annulled or repealed.

Some if not most of the property that these agents have obtained is from human trafficking which is the number one illegal, immoral means of obtaining wealth in the world. The number two source of illegal income is the drugs that this mafia cartel traffic, including the CIA, which includes their own pharmakia drugs. Many people will be shocked at the depth of this treachery, and by who is committing these crimes against humanity. Let no man fool you.

Transfer of the Legal System to Common Law:

The transition of the maritime law system to a common law system will not be difficult. The system that they have in place mirrors a common law system, so the basic platform is already in place. A common law system has juries, judges, clerks, jails, and uses case law to decide verdicts. Since every American is now operating under common law as a national, (if they choose to be free) the same Maxims of law pertain to each of us no matter where we stand in America. Local justice systems have the same legal, lawful structure as anywhere else under common law. Big government is not needed under a cohesive common law system since the Maxims of Law are easy for anyone to understand, and they apply everywhere in this nation. As nationals, we can take over their own system and transfer it into a common law system. The structure is there; we just need to reclaim it. When the time is right, we can inform sheriffs, judges, government attorneys, clerks of the court, etc. that if they choose not to assist in this transition into common law, they may be prosecuted for crimes. Nationals can, in the meantime, have public meetings to address issues and inform people of the proposed changes in the system and/or the removal of dangerous technology etc. Temporary positions can be established with worthy American nationals in good standing as is fitting. The community shall have a say on who is best suited for these temporary positions. Community meetings are necessary, so establish these meetings often or as is required for certain situations that may arise. Include immigrants that wish to attend meetings so that they can understand what is happening. Nationals can form an online meeting platform to discuss important matters such as taking an oath of office. I will need help setting this up as I am very busy.

The Constitutional Protections:

The Constitution is in place to PROTECT our God-given rights and to outline violations against due process of law, religious freedom, etc. The unrepealed 1819 13th Amendment prohibits titles of nobility and honor such as “esquire” (BAR attorneys) and “Your Honor” (judges) for very good reason as we can see today. Allowing these titles of nobility in as “public servants” is what has enslaved Americans under false authority and under color of law to this day.

BAR agent Abraham Lincoln was placed in office by the Rothschilds in part to produce his own 13th and 14th Amendments and attempt to destroy evidence of the legal unrepealed 1819 13th Amendment that forbade him or any other BAR agents to take office. Then, with word trickery, he deceived this nation into agreeing to the “voluntary servitude” of his 13th and 14th Amendments. We were spoon fed glorious stories about Lincoln freeing the black slaves when what he did was to enslave nearly every American. These Satanists do exactly the opposite of what they say. Every “president” from Lincoln on is a fraud who works for foreign agents such as the British Crown corporations. This is why the Notice states that Lincoln’s 13th and 14th Amendments are no longer in effect. Nationals operate under the 1819 13th Amendment and under the Maxims of Common Law. Read “How to Escape the Matrix: Re-

Patriate" by Roger Sayles for a complete breakdown of how Lincoln's 13th and 14th Amendments enslaved Americans. It is quite revealing and can be found at www.governmentslavery.com

An example of what is different under common law is the penalty for capital crimes. Capital crimes are the most serious of all matters in common law. Murder, treason, espionage, and the betrayal of one's own country are examples of capitol offenses. If a party is found guilty beyond a reasonable doubt and death is the penalty, the sentence is carried out in very short time unless the people step in and demand a more thorough investigation or a quick appeal stops the process. We the people have the final say.

Under maritime/admiralty law for instance, a capital crime is punished by allowing the perpetrator some 20 years or so to appeal their sentence while living off the taxes that are illegally obtained from the U.S. citizens and nationals alike. Why can these murderers take lives but are then allowed to live when given a death penalty? Where is justice in that?

Slavery of Our Children with No Due Process of Law Under Maritime Law:

A very good example of the slavery that is imposed on American people every day is when Child Protective Services, CPS, (or whatever name they may have) can use someone's word against you to take your child away. You are not allowed to know who this "witness" is. Government agents could have made the whole thing up to kidnap your children because they don't like your viewpoints. This includes refusing vaccinations after your child is born or homeschooling. These government agents can then kidnap your child and place them wherever they want to with a court order from a "judge". If your child is unvaccinated, these agents make sure to vaccinate them without your consent. You are never given a trial, just a "48-hour hearing" before the "judge." C.P.S. workers are well known to systematically lie to these "judges", and their word is simply taken for fact. Since there is no trial, these C.P.S. workers are not bound to tell the truth as in an actual court proceeding. Your child will remain in their custody for as long as your child's "owners" decide that they will.

Due Process of law is completely ignored. There will be no trial, no cross-examining witness, just the ruling of a "judge" who makes money from kidnapping your child which is child trafficking. Your child now has a lifetime of trauma in most cases, but the judges and prosecutors are making money exploiting your child through bonds and trusts. "Nationwide, over 85% of CPS cases that are investigated are found to be unfounded." In 2025, 437,283 children were removed after a "judge" signed an order to remove them in violation of due process of law and under false authority. This should answer the question: is anyone free under their system? Are your children the most precious to you?

These BAR agents know what they are doing. You were tricked into slavery under BAR agent Lincoln's 13th and 14th Amendments as is shown in the Notice and in other documents. Dead corporations are attached to your person by these BAR agents so that they can get around the ruling in Penhallow v. Doane's Administrators and prosecute you as the dead in their "government" courts. The judge can randomly choose a sentence for the perpetrators and pretend that he/she is operating under common law which they are not. Only one judge in America was found to have a legal, notarized oath of office on file. Just one. But that one judge is still operating outside of his jurisdiction under color of law. That means that every judge in their system has an illegal oath of office on file. They are impersonating judges while making rulings against unsuspecting people in their courts. Without a notarized oath, we don't even know who these judges really are. These "judges" and prosecutors are violating your constitutionally PROTECTED rights every single day.

Infiltration of Religious Institutions:

The proof that the word of Jesus was changed concerning the Catholic pope's UNUM SANCTUM is obvious. The word “congregation” was changed by the Catholic pontiff into the word “church” to fool the masses. Where two or more gather in his name, there is the church. That is why tent revivals were so popular in the past. There is not a physical location involved in worshipping the Father, the Son, and the Holy Spirit. There never was. The truth can be found in the Septuagint which is the ancient Greek translation of the Old Testament and the Matthew’s Bible of 1537. The Masonic King James Bible is based on the kabbalah and is the "Bible" that is found in every Masonic lodge. King James was a Mason too. Beware of your sources. Cross reference the KJB with other sources.

The Masons, Shriners, Kazarian Jews, and other secret society members have infiltrated nearly every 501(c)3 religious nonprofit organization and often pose as Pastors and church members as part of this deception. The evil kabbalah is taught in nearly every church as is the dispensational Darby-Scofield reference Bible.

Human Trafficking Linked to Churches:

An example of human trafficking is that of Laura Silsby (Gaylor) who attended the Central Valley Baptist Church Inc. in Meridian, Idaho. After the 2010 earthquake in Haiti, Silsby and nine of her cohorts were caught smuggling 33 Haitian “orphans” while attempting to cross the Dominican border. Haitian officials found that nearly all, if not all, of these children were not “orphans”, and Silsby and the others were arrested in Haiti for reasons of kidnapping. The children were destined to be placed in a hotel in the Dominican Republic by Silsby and her cohorts. The children’s relatives that happened to know that Silsby was taking their children and could not stop it were told that they would be able to visit them and eventually get them back, but the New Life Children’s Refugee (that is a corporation that Silsby formed) had a statement that clearly outlined plans for “adoption.” I won’t go into the grisly details of what these Satanic Luciferians do to these children. It is an abomination.

Silsby’s connections with the Clinton family comes into play. She was able to get former corporate president Bill Clinton to pressure the Haitian government to release Silsby for lesser charges. After she got back to the United States, she was never held accountable for any of her crimes or use of her “non-profit” corporation “New Life Children’s Refuge” to abduct the Haitian children. Of course not. She was doing it with direct knowledge of some of the top human traffickers around, the Clintons.

Be forewarned that, if you attend a 501(c)3 corporate church, some members may be involved in human trafficking as is the case with Silsby-Gaylor who is/was connected to the Baptist Church in Meridian, Idaho. These people are very good actors, and they can fool the masses easily as their master is Satan, the father of lies. No corporate church, no matter the denomination, is immune from this corruption. For example, many pastors encouraged their congregation to take the COVID “vaccine” bioweapon, whether by being deceived themselves or by willing deception against the congregation. COVID backwards is DIVOC which means possession by an evil spirit in Hebrew. This too shall come to light. Be kind to the COVID vaccinated. Anyone who has had a “vaccination” of any kind is vaccine injured, and that is nearly every person in this country. I am vaccine injured, but not by the COVID “vaccine.” We need to support each other and not lay blame. We are to unite and not divide now. Be prepared. Revelation is upon us.

For those with eyes to see and ears to hear, be helpful to those who are going to require emotional support when they realize the depth of the deception that is upon them regardless of their status in this country. If immigrants in this country (other than Muslims, Jews, and secret society members who are our enemy) need help to understand what is happening now, please explain it to them to the best of your abilities. Guide them to sources of information. They are trapped in this system too, and are being poisoned, murdered, robbed, and deceived along with everyone else. If any of these immigrants wish to participate in removing the dangerous technology or to help in other ways and they have the skills, include them. They should have a voice in public meetings. Non-Americans are not allowed in public service, juries, Grand Juries etc. under common law, however.

The Removal of Dangerous Technologies:

Americans operating under common law who wish to peacefully and responsibly disassemble, remove, or disable dangerous technologies such as 4G, 5G, 6G, and/or Data Centers may do so under the Maxims of Law, 82d) "He is justified who acts in pure defense of his own life or limb, for it is a natural right to do so."

I recommend that you give a copy of the Notice and all attachments including this document to the local sheriff, or have it served upon him with a letter that lets your intentions be known prior to removal or disconnect of dangerous technology such as 4G, 5G, 6G, Data Centers etc. that are within his jurisdiction. He will either assist you, or he will not, but you have the right under common law to protect yourself from imminent danger such as the dangerous technology mentioned in the Notice. Request that he respond to your letter of intention within 30 days. He must state his jurisdiction and whether it gives him the right to arrest you outside of his jurisdiction. At this point you will understand that he knows he cannot arrest you and will face penalties and criminal charges if he does. He can inform the local police that are in his jurisdiction not to interfere as well. I can write a sample letter as a guide for those who wish to serve a Notice of Intent upon your local sheriff. This will be done legally and lawfully.

It is important to be careful with this removal of the 4G, 5G, 6G, Data Centers etc. The disconnect of such things as Data Centers may simply be to disconnect them from their power source if this is indeed the safest way to disconnect them. I recommend corresponding with experts or knowledgeable people before proceeding with removal or disconnecting any of these dangerous technologies to prevent harm to people or property. I recommend that these peaceful, careful removals of weaponized technology be recorded in case accusations arise later. Have at least three witnesses present. They can be members of your removal team. The corporate agents are good at spinning webs of lies to turn others against us or to turn us against each other and further divide us. Be professional and polite. Choose people in your group that are most knowledgeable to respond to these government agents. Many government employees are just trying to do their job, so be calm and courteous.

If you get arrested despite your best efforts to inform authorities that you are NOT a "U.S. citizen" but are a national operating under common law outside of their jurisdiction, stay calm. Answer NO questions other than to state your full, legal name and state that you are a national who is born on the earth under common law and demand your immediate release. Sign NOTHING. Through word trickery they will try to get you back into their maritime law jurisdiction. Say nothing more. Needless to say, you will not get a Public Defender to defend you as they are the enemy. File the Notice and all attachments including this introduction with their court clerk as an answer to the charges once you are

released and if the case is not dropped. This procedure is called discovery, and they cannot deny it. If you do go before the judge, say that you were invited to court and answer no questions except to state your name and legal status as I have outlined. Do not go through the swinging gate onto the deck of the maritime law "ship" courtroom. Stay in the gallery. Do NOT call him or her "your honor." Demand that all charges be dropped for lack of proper jurisdiction. I walked out of a courtroom after the judge failed to state his jurisdiction in a case against me. He would not admit that he was operating under maritime law, not common law, and I told him, "You have no authority here," and I walked out. My case was dismissed.

Maxims: 64. Judgement and Decision:
64a) "A judgement that is given by one who is not the proper judge is of no force and should not harm anyone."
63z. "A judge who exceeds his office or JURISDICTION is not to be obeyed."

While I am certain that many people will have a lot of questions concerning the Notice, remember that we are in the first steps of the process of peacefully taking back this country from corporate tyrants, and it is up to each and every one of you to do your own research and answer your own questions when possible. I have given sources for you to look at, and it is back to school for everyone. I recommend that you watch some of my videos on Rumble under KimPaddock (one word) and read some of my Substack articles under Kim Delayne Paddock. I also attached some good videos to my Substack articles.

This transition back to common law shall be gradual and peaceful so as not to alarm the general population and cause inappropriate reactions from certain members of society. Arrange public meetings and decide who meets the standards of being a public servant who can take the oath that I provided in this time of need. Public servants must be Americans who studied the Maxims of Law and have a good understanding of common law. If anyone intends to take an oath as a volunteer for a public office, explain your strengths and how you can apply them to our current situation. If you are suited to be a city council member, then you can recruit other Americans who are worthy to take an oath for this office, arrange public meetings, and decide courses of action under common law. Most likely there is a public office that suits you best, and you can be placed in it for your local community. The oath is to be notarized. Nationals who take the oath of office can form a group to keep track of other public servants who have taken the oath, can share contact information and copies of the oaths, and have meetings on a regular basis. Include immigrants in meetings. They can be educated on what the system is doing to them and can have a say and be included in many other ways, but they cannot take an oath of office if they are not Americans. Most importantly, work together, put aside petty disputes and do not cause drama. Their system will eventually collapse under its own weight, and we shall transfer it to common law one community at a time.

Cautions Concerning Medications:

I caution people against quitting their pharmaceutical drugs because of the content of the Notice. This may cause more harm than good, and some of these medications are necessary at this point. Look up a few Safety Data Sheets and find out what you are taking and the possible side effects. Consult with your doctor before making any changes in medications prior to taking action. Until we the people learn how to prevent and heal these diseases and poisonings that are being done to us, stay the course. Your health is of greater concern. Refuse all “vaccines.”

Your doctor is not your enemy as only a few of them are knowingly and willfully causing harm. You have the option to choose another doctor if you feel that you need to. It is important to not treat medical professionals badly, nurses included. Most of them have no idea that they may be causing any harm. You have the right to refuse any medical treatments or shots. Doctors are necessary in emergency situations, and we still need them. They have been taught what the medical industrial complex wants them to know, and nothing else, but they have a good understanding of anatomy and which diseases that you may have which is important in treating them in the proper manner which is holistically. Diagnoses by doctors are required to get us healthy by natural means. The pressure that is placed upon medical professionals such as doctors can be immense, and many are quitting. They may not know that the tyrannical corporate government agents plan on replacing many of them with A.I. by as soon as 2030. We should all unite. We are all in this together, and we need their expertise.

Teach Others in a Responsible Manner:

For those who have eyes to see and ears to hear, you are an important source of information. Be careful not to put out too much information at once for people to process. A little at a time is enough for most people who are unaware. People need time to process this information and to grieve at times. Too much information can trigger mental breakdowns and Stockholm's Syndrome. We have all been trapped in this system of lies for a lifetime in most cases, and sharing information must be approached with care. Be forewarned that many people that are trapped in this Matrix cannot be reasoned with and will not respond to what you are trying to tell them. Spend your time with others who are open to learning. Many friends and people in your family will not want to hear this information, so leave them be for now. It will be difficult to do this, but your time is required by those who wish to learn. Your relatives and others may respond at a later date.

Attached to this introduction and Notice is a copy of the notarized oath taken by myself, Kim Delayne Paddock, to serve as an officer in any capacity that is required of me in this time of utmost need. Other Americans can take this oath to volunteer as a public servant in their community as long as they meet the requirements outlined in the oath and the community has no issues with these American nationals serving in office. God speed.
