Casa Neighbourhood Walks
Permission Form

Dear Parents,

We are excited to announce that our Casa students will have the opportunity to participate in neighbourhood walks with their teachers to nearby parks, and short excursions to local community service sites like fire stations and libraries.

These walks are designed to enhance their learning experience by exploring the local community and gaining valuable insights into the world around them. They will also be learning about the seasonal changes that occur in nature.

The walks will be scheduled regularly, and are weather dependent. The teachers will notify you of these excursions via KidLoop.

Please read and fill out the permission form and return it to school no later than Friday May 9, 2025
