The Lakeshore Wrestling Boosters are prepared for the upcoming 2026-2027 wrestling season. We would like to thank all our local sponsors in helping us achieve many goals over the years and running a first class program. This year all sponsors are invited to the Sponsor Night quad on Friday, December 11th, from 5:00pm - 9:00pm. All sponsors will be recognized in between duals. Please arrive by the beginning of the event to ensure we recognize you.

The Lancers are coming off another fantastic season going 16-9 as a team, winning another District title, advancing to the Team Regional. Individually, your lancers sent five to Detroit for the State Championship. Our male state qualifiers included Chase Jacobs (106), Pilot Swab (120), and Joelan Coyer (144). Our female state qualifiers included Marley Flaga (100) and Emma Baker (115). Our three State placers included State Runner-Up Chase Jacobs, Pilot Swab (3rd), and Emma Baker (3rd). Academically, your Lancers earned Academic All-State as a team, and had 7 NWCA Academic All-Americans. We have a lot of experience coming back for this upcoming season! Our determined underclassmen will look to continue the championship tradition for Lakeshore Wrestling.

Lakeshore has developed a wrestling program recognized throughout the Midwest and State. We continue to strive and build to promote the team, and our **community** support allows us to do just that. This year, we are continuing our very successful "Sponsor a Weight Class" which allows local businesses to sponsor an individual weight class or several weight classes. Over the years, the Lakeshore Wrestling Program has benefited substantially from the funds raised through the "Sponsor a Weight Class" program. Here are some of the following ways that the Lakeshore Wrestling Program has advanced:

*Travel Costs *Warm Ups, Uniforms, & Gear *Paid Assistant Coaches ***Summer Camps**
*Mindset Training *MatBoss Software *All things LL Wrestling

By sponsoring a weight class, your business will have advertising at all Lakeshore Wrestling events, in the Lakeshore Wrestling Program and on our Web Page (www.lakeshorewrestling.com). Additionally, Sponsors of six (6) or more weight classes will have their own advertisement on the video board in the gym (we will need a high resolution logo for the video board emailed to us).

We would like to thank you for your support in the continual development of young student-athletes in the Lakeshore Wrestling Program.

Sincerely,
Lakeshore Wrestling Boosters
