

GUT FEELING:

TREATING GASTROINTESTINAL DISEASE IN GP PRACTICE WITH ANY BUDGET

Learn from the very knowledgeable and pragmatic Professor Mark Dunning, *RCVS & EBVS specialist in Small Animal Internal Medicine!*

VETX-CPD

Come join us for a day of small group learning with lectures and interesting case-based discussions covering:

- Chronic enteropathies: causes, classification, treatment
- A logical approach to chronic GI cases
- Work-ups for any budget
- Tackling cases that won't respond
- Confidence with cases you can't refer
