Verona Eco
Sustainable Food Packaging

We ensure fast, reliable service across the UK by delivering locally with our own vehicles and partnering with trusted couriers - service you can count on.

Established as a family business in 2018, we prioritise strong customer relationships while delivering reliable service, quality products and a considered approach to sustainability.

We are BRCGS Packaging Materials certified, ensuring product traceability and quality management. With HACCP practices in place, our products are handled with care and attention.
