Time for Tea

Every Mother's Day, we set the table in the garden, pull the good china from the cabinet, and sit down for afternoon tea together.

The cake stand is filled with delicious homemade treats, the table is laid just so, and everything feels a little more special.

It's the kind of occasion where you use the nice things, the old spoons, the pretty plates, and the teacups that don't quite match but somehow belong together.

Time for Tea is that day in a fabric collection. Teacups, flowers, a table set with care, and time spent with the women who matter most, our mums, sisters and grandmas.
