Jingle Bug

The Jingle Bug Collection is inspired by little boy on a Christmas road trip, windows fogged up, car packed with presents, and a tree tied to the roof.

This collection was made for boys who love cars, with tiny cars zipping through snowy roads, past Christmas trees and snowy villages at the most wonderful time of the year.

It's a gentle take on Christmas, designed for holiday themed sleepwear, quilts, and Christmas day outfits for little ones.
