~ 33RD SUNDAY IN ORDINARY TIME~

November 15TH, 2026

St. Margaret of Scotland, also known as Margaret of Wessex, was an English princess born in Hungary who became the Queen of Scotland and one of its most revered patron saints.

Born in exile in Hungary to the Anglo-Saxon prince Edward the Exile and his wife Agatha, Margaret returned to England as a child but fled following the Norman Conquest of 1066. Her family's ship was blown off course and shipwrecked on the coast of Scotland, where they were taken in by King Malcolm III. Captivated by her grace and virtue, Malcolm married her in 1070 at Dunfermline. Margaret and Malcolm shared a remarkably close 23-year marriage and raised eight children. Among them were three future kings of Scotland (Edgar, Alexander I, and David I, the latter also considered a saint) and Matilda, who became Queen of England.

Margaret was legendary for her personal asceticism and dedication to the marginalized. She routinely wore hairshirts under her fine gowns, rose at midnight for prayers, and observed multiple intense fasts each year. Every day, she personally washed the feet of the destitute and fed hundreds of orphans and beggars at her court before she or the king would sit down to eat. She also frequently paid the ransoms of English captives held in Scotland.

She was canonized by Pope Innocent IV in 1250.

PRAYER FOR US ALL

Be with us all, Christ Jesus, as we go about the busyness of our work. Hold us accountable, not only for our actions, but most importantly to each of our neighbors. May we continue to work together to bring about your reign! We ask this in your holy name, through the power of the Holy Spirit.
