STANDARD PERMIT CONDITIONS

This permit is subject to all restrictions and regulations adopted by Newberry Township and to any specific conditions or restrictions stated in this permit. The Newberry Township Board of Supervisors may revoke this permit at any time for nonperformance or noncompliance with any applicable condition, restriction, regulation, or ordinance.

1. The applicant must notify the Township Zoning Officer before any backfill is placed within the street.
2. The applicant must notify the Township Zoning Officer at least 72 hours before final restoration.
3. A restoration bond is required only when the project construction cost exceeds $5,000.00.
4. Liability insurance is required for every project.
5. Refer to the special provisions in Section 339-22 for any road paved within the past five years.
6. The applicant must comply with Section 339-8 and all other applicable Township road cut requirements.

TOWNSHIP SPECIAL CONDITIONS AND RESTORATION REQUIREMENTS

Enter any project-specific conditions, restoration details, inspection requirements, or other restrictions.
