Project Risk Management Specialist

Connex Personnel is seeking a Project Risk Management Specialist for one of its utility clients operating in St.John's. NL. The position will focus on capital program/project execution relating to non-regulated assets.

KEY RESPONSIBILITIES

- Develop, lead, facilitate and/or oversee program and project risk management processes from project initiation to completion, to help ensure projects are delivered predictably, effectively, efficiently, safely, on time, and within budget;
- Develop and provide training to project teams on effective risk management processes and procedures related to capital project delivery programs and to individual projects;
- Coordinate with engineering teams to ensure risks are identified and mitigated for all phases and aspects of project planning, engineering, execution, commissioning, and handover.
- Identify, evaluate, and mitigate project risks, and maintain the project risk register throughout the project lifecycle;
- Facilitate effective communication across stakeholders regarding project risk management, ensuring that project risks are understood and appropriately mitigated.
- Promote continual improvement through lessons learned, innovative approaches, and sharing best practices with other project teams;
- Submit timesheets and documentation in accordance with NL Hydro's project management requirements;
- Other duties as assigned.

EDUCATION AND EXPERIENCE REQUIRED

- Project Risk Management Professional (PMI-RMP) or Project Management Professional (PMP) certification from the Project Management Institute (PMI) or other similar Project Management certification is preferred;
- Bachelor's degree in engineering is considered an asset;
- A minimum of 20 years of progressive project risk management experience is preferred

Hours: 37.5 hours per week, Monday to Friday from 8:30am to 4:30pm.
Location: Head office in St. John's, NL with periodic travel within Newfoundland and Labrador as required.

Anticipated Start Date: January 4, 2027
Anticipated End Date: December 31, 2027
