From the President

By Spencer Palmer

Hello Everyone and Thank You All for taking the time to read our newsletter.

As always, I would like to thank all of our volunteers that make our neighborhood one of the best and sought-after communities in Palm Beach County.

I hope everyone had an outstanding New Year's and spent some wonderful time with family and friends.

I am happy to see that two of our residents came forward and were elected to two Association Officers spots for 2020. The election results are as follows:

Returning for a third term as President-Spencer Palmer

Newly elected 1st Vice President-Susan Jenkins

Newly elected 2nd Vice President- Danny Wood

Returning for a third term as Secretary-Angie Bermudez

Returning for a third term as Treasurer-Christine Jenson

We also have a new street representative for Cuyahoga : Megan Bauer

Please thank the above and your street representatives for taking time out of their busy schedule to help with our Association.

It has been nice to see more and more new faces and as always the original faces at our monthly Residents Meetings.

I would like to thank Palm Beach County Fire Rescue Station 32 for bringing Santa to our Christmas party and partaking in our afternoon golf cart parade. I would like to also thank Officer Milton Smith (resident of Florid Gardens) of the Delray Beach Police Department for heading our afternoon Christmas golf cart parade.

We have some fun events coming up and will be needing volunteers to help with them, so if you are interested in helping out please contact me and keep an eye on the neighborhood Nextdoor app and our Facebook page for event meetings. High schoolers are always needed and they get community service hours.

Remember, Please drive through your neighborhood like your kids are playing there.

Hoping to see you at the next Residents Meeting on 2/13/2020 @ 8pm in the clubhouse at 134 Ohio Rd.

Once again, it's time for any graduating High School senior in Florida Gardens who may be interested in applying for the annual Florida Gardens College Scholarship Award to start working on their application. Each year, the Civic Association is proud to award one or two scholarships to college-bound students from Florida Gardens who meet the qualifications in recognition of their efforts and accomplishments.

In order to apply, the student must be a bona fide resident of Florida Gardens, graduating from high school in 2020, and entering college in the fall. There are a few other requirements prior to applying, which include family donations to the Association for the current and previous year, completion of 20 hours of community service to Florida Gardens, and submitting an application with supporting documents.

The absolute deadline to submit applications is April 15th. We hope to hear from you, so if you're interested in applying please contact our Scholarship Chairman, Ed Ridolph, at 967-2197.

YOU MAY NOT BE SEEING ALL POSTS AVAILABLE ON NEXTDOOR

By Gary Oliwa

I posted the following article on Nextdoor at the end of December, but you may not have seen it. HERE'S WHY :

I want to repost this information in case you missed it. First and most importantly, I always thought that when you opened Nextdoor, ALL posts showed up in the list with the newest one first. Well, not quite. Per the published explanation, there are two settings that control the order of posts you see. If you look just to the right of "Home" in the menu on the left of the screen (I'm using a computer, not a phone for this, so my explanation may not apply exactly), you will see a small down-arrow. If you click it you should see two choices. One is "Top Posts" and the other is "Recent Activity". If you select "Recent Activity", you will indeed see all the posts, sorted by most recent first, with most recent being anything anyone posted OR added to an original post regardless of when the thread was started.

The other option, "Top Posts" shows ONLY, and I'm quoting here, the posts that "we think" are the most relevant and interesting to you". How "they", who ever they are, decide what they think is relevant and interesting to me is unknown. I therefore want to use "Recent Activity" and I'll decide what I think is relevant and interesting to me. However, "Top Posts" is the default setting, so unless you know to change it, you will not see all the posts in the order they were posted.

For me, Nextdoor is most useful when I see the most recent information first, so I will be using the "Recent Activity" setting and making sure it stays set that way. Turns out it's not a one-time setting thing.

After communicating with Customer Support at Nextdoor, I was told that the info as to whether you want your Newsfeed sorted as "Top Posts" or "Recent Activity" is stored as a cookie on your device. If you're like me, you clear your browser activity and stored data regularly (I try and clear mine every few days at least). Therefore, when I clear my browser data, which among other things deletes any cookies that websites have set on my computer, the cookie telling Nextdoor to list the Newsfeed by "Recent Activity" to see all posts is deleted and Nextdoor reverts to the default "Top Posts" setting which only shows some of them. The only work-arounds are either to not clear your browser data (not a good choice in my opinion) or just remembering to check or reset the selection to "Recent Activity" EVERY TIME YOU SIGN ON. This is what I do now. Even if you don't ever clear your browser, the "Recent Activity" setting is still only good for 30 days, after which it reverts back to the default "Top Posts" setting. Also, if you want the "Recent Activity" setting and you access Nextdoor from more than one device, you have to change it on each device you use since cookies are device-specific.
