EXCEL LEARNING ACADEMY

LEARNING DIFFERENTLY.
EXCELLING TOGETHER.

HELP LOCAL CHILDREN THRIVE

Learning Differently. Excelling Together.

Excel Learning Academy is a nonprofit private school in Valrico, Florida serving children with autism, developmental disabilities, and other learning differences who need a more individualized educational environment.

Many of our students struggled to succeed in traditional classrooms despite their incredible potential. At Excel Learning Academy, we provide a supportive, structured environment where students can build **communication, independence, academic, social, and life skills** at their own pace.

Every child has potential.
With the right support, they can excel.

WHY WE NEED YOUR HELP

As a small nonprofit school, we work hard to keep services accessible for families while providing the specialized support our students need.

Your donation helps us provide:

- Classroom materials and educational resources
- Sensory and therapeutic equipment
- Communication supports and assistive technology
- Student enrichment activities and community outings
- Staff training and professional development
- Scholarships and financial assistance for families in need

EVERY GIFT HELPS

$5	buys classroom supplies and learning materials.
$10	provides sensory and behavior support materials.
$50	supports communication and educational resources.
$100	helps fund student enrichment activities and community experiences.
$250+	supports scholarships and specialized programming.

Every gift makes a difference!

EVERY CHILD DESERVES THE OPPORTUNITY TO LEARN

Our students are capable of amazing things when given the right support, patience, and opportunities. Your contribution helps create a place where they can build confidence, independence, and a brighter future.

Our Goal

RAISE $5,000

to provide classroom materials, sensory equipment, and communication supports for the 2026–2027 school year.

Thank you for supporting local children and families in our community!

CAN YOU SPARE $5?

Most donations are between $5 and $25. Every dollar helps students learn, grow, and thrive every day.

Together, we can build brighter futures.
