

Five Stars for Doug Colby!

I worked with Doug Colby and Team Veranda to sell my home, and I couldn't be more pleased with the entire process. Doug made the whole process a lot less stressful - always there to answer my many questions and kept me updated during each step of the selling process. What really made Doug stand out was his helpfulness - whether it was offering advice on staging for pictures, setting the right price, or negotiating offers, he always had my best interests at heart. I highly recommend Doug Colby and Team Veranda for anyone looking to sell their home!

We had Doug Colby as our real estate agent (awesome guy to have on your side!!!) and the amazing team veranda to help my husband and I find and get into our new home. Doug was very patient with us (we're picky) and he was thorough in searching out information about the properties. Highly recommend!!!
