Subject: Water Shortage Order extended to March 31, 2027

This is an important message from Pinellas County Utilities.

Pinellas County Utilities

Dear Customer,
Despite recent summer storms, our region's average 12-month rainfall is 15.4 inches below normal. The Southwest Florida Water Management District has extended the water shortage order through March 31, 2027.
Water levels across the region's lakes, rivers, and aquifer remain very low for this time of year. Cutting back on outdoor water use is one of the fastest and most effective ways we can all help protect our water supply.
All Pinellas County Utilities customers must continue to follow the watering schedule below for reclaimed, potable, well, and lake irrigation sources. As a reminder, Pinellas County Utilities is required by SWFWMD to issue citations with a fine for violations of these watering restrictions.

Customers North of SR580

Potable, Well, and Lake Water

- Even addresses (0, 2, 4, 6, 8): Saturday
- Odd addresses (1, 3, 5, 7, 9): Wednesday

- Mixed/No Address (common areas, offices, shopping centers): Wednesday

Reclaimed Water

- Even addresses (0, 2, 4, 6, 8): Tuesday and/or Saturday
- Odd addresses (1, 3, 5, 7, 9): Wednesday and/or Sunday
- Mixed/No Address: Wednesday and/or Sunday

Customers South of SR580

Potable, Well, and Lake Water

- Even addresses (0, 2, 4, 6, 8): Tuesday
- Odd addresses (1, 3, 5, 7, 9): Thursday
- Mixed/No Address: Thursday

Reclaimed Water

- Even addresses (0, 2, 4, 6, 8): Tuesday and/or Sunday
- Odd addresses (1, 3, 5, 7, 9): Monday and/or Thursday
- Mixed/No Address: Monday and/or Thursday

Watering hours remain from 12:01 a.m. to 4 a.m. or 8 p.m. to 11:59 p.m. Properties less than one acre in size may only use one of these windows.
If you receive your irrigation water from an entity other than Pinellas County Utilities, please check with them for your correct watering schedule.
