16th Annual

Adopt A Warrior Family For Christmas

So many of our Military and Veteran families today find themselves in financial crisis, now more than ever. This will be especially true during this Holiday Season. To give back, Able Forces Foundation (AFF) is once again sponsoring the **Adopt-A-Warrior Family For Christmas program**.

As in years past, Able Forces Foundation will adopt families, without the financial ability to provide for their family for Christmas. Adoptions will reflect each of the 5 Military Service branches. All adopted families are identified, vetted, and referred to our Foundation by Advocates on military bases or veteran organizations in the Washington, DC Metro area. Our referring agencies include Walter Reed, Quantico Marine Corps Base, Ft. Belvoir, VA Medical Hospitals Washington DC and Martinsburg WV, including the Department of Veteran Services of VA and MD.

Based on need, Able Forces Foundation will ensure each adopted family will have:

- A Christmas Tree
- Complete Christmas Dinner (for up to 8)
- Stocking Stuffers
- the ability to provide up to 5 gifts per child

All donations go directly to support this program. All donations contributed between October and 20 December will go directly to support this program.

If you can donate, please go to: www.ableforces.org/adopt to contribute or call me directly. Thank you all and have a Blessed Holiday Season.
