★ 11. FRTP GUARDIAN TITLE DESIGNATION

Choose Your Sovereign Identity Within the

FRTP ROYALS FUN 5000™ System

Every participant must select their official FRTP Guardian Title Designation, representing their ceremonial standing within:

- FRTP LANDMARK GUARDIANS™
- FRTP ROYAL COMMONS™

This designation reflects your role as a protector of land, water, and rural sovereignty across the USA & Canada.

Your Guardian Title Designation becomes part of your:

- JPG Identification

- RRRR FLW Webpages
- FRTP People's Ascension Record
- Phase 1 & Phase 2 ceremonial standing
- Continental land-and-water stewardship identity

This title is not a job label —

It is your sovereign identity inside the FRTP Republic.

12. [ ] 🗣 500-Character FRTP Guardian Statement

13. FRTP ROYALS FUN 5000™ —

TWO-PHOTO GUARDIAN ID REQUIREMENT

"Your Identity. Your Land. Your Guardian Standing."

Every FRTP ROYALS FUN 5000™ Guardian must submit two official JPG photos to complete Phase 1 activation.

These images become part of your FRTP Guardian Title Designation.

A clear photo of you, the FRTP Guardian.

Used for:

- JPG ID

If Phase 2 is not activated within the two-year window following your JPG ID Webpage Confirmation, Phase 1 will automatically conclude at the end of its 24-month term, and all FRTP Guardian privileges will respectfully close.

This ensures:

- Continuity of the FRTP land-and-water stewardship network
- Integrity of the Guardian Grid across USA & Canada
- Protection of the FRTP Footpath Living™ 35 RRRR Webpages
- Eligibility for future FRTP sovereign programs and expansions

Phase 2 is not optional —

It is the continuation of your Guardian mandate and your place in the continental movement.

Those who step into Phase 2 remain part of the active FRTP Republic.

Those who do not complete Phase 2 conclude their two-year participation with honor.
