**WEBSITE TERMS OF USE**

**Effective / Last Updated: Sept 3, 2026**

These Terms of Use (“Terms”) govern access to and use of websites, webpages and other online content operated by or on behalf of Enviro Management Group, LLC (“Enviro,” “we,” “us,” or “our”).

By using an Enviro website, you agree to these Terms to the extent permitted by applicable law.

1. INFORMATIONAL PURPOSE

1.1. Enviro's websites provide general information about Enviro, pest-management services, pests, treatment approaches, programs, service capabilities and related topics.

1.2. Website content is intended to be useful and representative but cannot describe every property condition, pest condition, service limitation, treatment method, regulatory requirement or customer-specific circumstance.

1.3. Information appearing on an Enviro website does not by itself constitute a service agreement, proposal, guarantee, warranty, price commitment, response-time commitment or promise that a particular service or benefit is included for a particular customer.

1.4. Specific services, coverage, pricing, service frequency, guarantees, retreatment commitments, customer responsibilities and other contractual obligations are determined by the applicable Enviro proposal, service agreement, service authorization and incorporated Residential or Commercial Terms & Conditions.

2. CUSTOMER AGREEMENTS CONTROL

2.1. If you are an Enviro customer, your service relationship is governed by your applicable agreement with Enviro and the Residential or Commercial Terms & Conditions incorporated into that agreement.

2.2. If website content, advertising, marketing material or another general description conflicts with a customer's applicable service agreement or incorporated Terms & Conditions, the contractual documents control.

2.3. Examples, photographs, descriptions, testimonials, case studies and general statements regarding Enviro services illustrate services or experiences that may be available or may have occurred in particular circumstances. They do not expand another customer's contracted services or guarantee the same result.

3. ACCURACY, AVAILABILITY AND CHANGES

3.1. Enviro makes reasonable efforts to provide accurate and useful information but does not guarantee that all website content is complete, current, error-free or applicable to every circumstance.

3.2. Pest conditions, treatment methods, product availability, laws, regulations, pricing, service areas and Enviro's services may change over time.

3.3. Enviro may correct, revise, remove or update website content at any time without creating an obligation to provide previously described services, pricing or features except where Enviro has separately agreed to do so in a binding customer agreement.

3.4. Enviro does not guarantee that its websites will always be available, uninterrupted, secure or free of technical errors.

4. PEST AND PROPERTY INFORMATION IS GENERAL

4.1. Information concerning pests, infestation indicators, treatment options, property conditions, preparation, sanitation, exclusion or other pest-related topics is provided for general educational purposes.

4.2. Website information is not a substitute for inspection or evaluation of a particular property and should not be treated as a definitive diagnosis of a pest problem or as a property, structural, engineering, environmental, medical, regulatory or code-compliance opinion.

4.3. Treatment recommendations depend on the pest, property conditions, access, occupant circumstances, applicable law, product-label requirements and other conditions that may not be apparent from general website information.

5. PERMITTED USE

5.1. You may use Enviro's websites for lawful personal, household or business informational purposes.

5.2. You may not knowingly:

- interfere with the operation or security of an Enviro website;
- introduce malicious software or attempt unauthorized access to Enviro systems;
- use the website to impersonate another person or misrepresent your affiliation with Enviro;
- use automated means to extract website content in a manner that materially interferes with operation of the website; or
- use Enviro content or branding in a deceptive or unlawful manner.

6. INTELLECTUAL PROPERTY

6.1. Unless otherwise indicated, website text, graphics, photographs, logos, service names, designs and other content are owned by or licensed to Enviro and are protected by applicable intellectual-property laws.

6.2. Ordinary viewing, printing or sharing of website material for legitimate informational purposes is permitted.

6.3. No Enviro trademark, logo, photograph, text or other protected material may be commercially republished, presented as another person's work or used in a manner suggesting endorsement by Enviro without permission.

7. THIRD-PARTY WEBSITES AND SERVICES

7.1. Enviro websites may contain links to or integrate services provided by third parties, including manufacturers, government agencies, social-media platforms, mapping providers, payment providers or other businesses.

7.2. A link or integration does not mean that Enviro controls, endorses or guarantees the accuracy, availability, security, products, services or privacy practices of the third party.

7.3. Third-party websites and services are governed by their own terms and privacy practices.

8. PRIVACY AND COMMUNICATIONS

Enviro's collection, use and disclosure of personal information; use of website analytics and similar technologies; and practices concerning telephone calls, text messages, email and other communications are described in the then-current Enviro Privacy & Communications Notice, available through Enviro's website.

Nothing in these Terms expands or limits rights or obligations established in that Notice or under applicable privacy or communications law.

9. NO WEBSITE WARRANTY

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ENVIRO'S WEBSITES AND GENERAL WEBSITE CONTENT ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS WITHOUT WARRANTIES REGARDING WEBSITE AVAILABILITY, COMPLETENESS OR ERROR-FREE OPERATION.

This Section applies to the website and general website content. It does not eliminate an express service guarantee or other obligation that Enviro has separately undertaken in a binding customer agreement.

10. CURRENT TERMS AND UPDATES

10.1. Enviro periodically reviews and updates its terms, policies and notices to reflect changes in technology, business practices, services and legal requirements.

10.2. Enviro will maintain the then-current version of these Terms publicly on its website and identify the version by an Effective or Last Updated date.

10.3. Unless applicable law requires otherwise, use of an Enviro website after revised Terms become effective is subject to the then-current Terms with respect to that subsequent website use.

10.4. Changes to these Website Terms do not, by themselves, amend the terms of an existing Enviro service agreement. Changes to Residential or Commercial service terms are governed by the applicable service agreement and its renewal provisions.

11. GOVERNING LAW

Except where applicable law requires otherwise, these Terms are governed by the laws of the Commonwealth of Pennsylvania, without regard to conflict-of-law principles.

Nothing in these Terms limits rights that applicable law does not permit Enviro to limit.

12. GENERAL PROVISIONS

12.1. Severability. If a provision of these Terms is held unenforceable, it will be enforced to the greatest extent permitted by law and the remaining provisions will remain effective.

12.2. No Waiver. Enviro's failure to enforce a provision on one occasion does not waive the right to enforce it later.

12.3. Headings. Headings are for convenience and do not alter the meaning of these Terms.

13. CONTACT
