Background information: On August 28, 1963, Dr. Martin Luther King Jr. stood on the steps at the Lincoln Memorial and delivered his famous "I Have a Dream " speech. He stated that he believed all people "would be guaranteed the unalienable rights of life, liberty, and the pursuit of happiness." He then added, "So even though we face the difficulties of today and tomorrow, I still have a dream that one day this nation will rise up and live the true meaning of the creed: We hold these truths to be self-evident, that all men are created equal."
