Joyful Journeys, LLC
Service Fee Schedule

I. Service Structure

Joyful Journeys provides structured community enrichment and respite services for adults with intellectual and developmental disabilities. Services are available to licensed group homes and private-pay families.

Services are billed using a tiered hourly rate based on the number of participants. For group outings, the total hourly group rate is divided among the participants attending the outing. Minimum service block: three (3) hours.

II. Group Outing Enrollment

Participants may register individually for group outings and are not required to provide or arrange their own group. Joyful Journeys will coordinate participants based on interest in the activity, support needs, abilities, availability, and overall group compatibility. Final group size and participant cost will be confirmed before the outing is scheduled.

III. Service Fee Schedule

Participants	Total Service Rate / Hour	Individual Share / Hour
1 Participant	$35.00	$35.00
2 Participants	$35.00	$17.50 each
3 Participants	$40.00	Approximately $13.33 each*
4 Participants	$45.00	$11.25 each

*For three participants, minor rounding adjustments may be made so the combined participant charges equal the $40.00 hourly service rate.

Participants are responsible for individual activity-related expenses, including admission fees, meals, event tickets, and other personal purchases.

IV. Transportation & Participant Pickup

Participants residing within Burnet County: No additional pickup travel fee applies. Billable service time begins when the participant is picked up and includes transportation associated with the scheduled outing through the end of the service.

Participants residing outside Burnet County: An additional pickup travel fee may apply to account for the added travel required to pick up and return the participant. The applicable fee will be confirmed before the service is scheduled.

Participant Residence / Pickup Distance	Additional Pickup Travel Fee
Within Burnet County	No additional fee
51-100 miles from Burnet County	$75 per service date
101-150 miles from Burnet County	$125 per service date
More than 150 miles	Quoted individually

When multiple participants from the same general area attend the same outing, the applicable pickup travel fee may be divided evenly among those participants. Travel fees are based on participant pickup/return needs and are not charged simply because the outing destination is outside Burnet County.

V. Waiver Funding Coordination

Joyful Journeys, LLC may contract with licensed waiver providers to deliver authorized respite or community support services in accordance with the participant's Individual Service Plan (ISP) and provider policies.

Authorized waiver funding will be invoiced directly to the contracted provider at the approved rate. Any difference between the authorized waiver rate and Joyful Journeys' established service rate remains the responsibility of the participant, trust account, or private pay source.

Group service delivery is encouraged to maximize funding efficiency and reduce individual cost burden.

Joyful Journeys - Enriching lives through meaningful community experiences.
