Precision
Healthcare Technologies
YOUniversal Care®
COMPLIANCE INTELLIGENCE. REAL PATIENT IMPACT.

PROGRAM OPTIONS

FLEXIBLE SOLUTIONS. MEASURABLE RESULTS.

Choose the program that best fits your organization's goals and maximizes the value of every patient response.

PROVEN METHODOLOGY
Built on CMS & Payer Intelligence since 2007

NO DISRUPTION
Integrates with your existing workflow and EHR systems

MEASURABLE IMPACT
Better care. Better outcomes. Better revenue.

PROVIDER PROTECTION

DESIGNED FOR NO UPFRONT OR OUT-OF-POCKET EXPENSE TO YOUR PRACTICE

- Precision advances the technology, patient engagement, encounter preparation, and administrative infrastructure at no upfront cost.
- Under our collections-financed options, payments toward fixed-fee invoices are limited to 50% of net collections after the 10% Data Transfer / Encounter Creation / RCM fee.
- You retain 100% of clinical collections, clinical control, and patient relationships.

ALL PROGRAMS INCLUDE A COMPREHENSIVE PATIENT ENGAGEMENT AND COMPLIANCE INTELLIGENCE INFRASTRUCTURE

Provider-Branded Electronic Outreach
Email & SMS campaigns that re-engage your patients.

Personalized Human Follow-Up
Direct outreach to responding patients (especially Moderate and High Risk).

Risk Stratification for RAF Scoring
Identify risk factors and collections requiring clinical validation.

Preventive Service Completion
Identify and document required measures for applicable credit.

Patient Attribution Support
Connect qualifying encounters and services to payer attribution rules.

Priority Scheduling and 12 Months of Navigation
More patients to completed care and next steps.

1 QUARTERLY E-VISITS (COLLECTIONS-FINANCED)

Assessment encounters with collections-based payment of our fixed fee. Includes the full patient engagement and compliance intelligence infrastructure.

HOW IT'S FUNDED	Collections-financed fixed-fee invoices. Payments limited to 50% of net collections after the 10% Data Transfer / Encounter Creation / RCM fee.
OUR REVENUE	50% of net collections after the 10% fee.
RCM FEE	10% of collections (Data Transfer / Encounter Creation / RCM).
PAYMENT METHOD	Invoice financing; outstanding balances carry forward under the agreement.
YOUR BENEFITS	✓ No upfront expense ✓ Full program infrastructure ✓ Compliance and RAF support

2 RESPONSE-ONLY ($8 PMPM)

Simplified model with no dependence on assessment reimbursement. Includes the full patient engagement and compliance intelligence infrastructure.

HOW IT'S FUNDED	$8 PMPM ($96 annually) per patient who responds and completes the HRA.
OUR REVENUE	$8 PMPM per responding patient.
RCM FEE	Not applicable.
PAYMENT METHOD	Monthly invoice (no collections calculation).
YOUR BENEFITS	✓ Predictable, simple pricing ✓ Full program infrastructure ✓ No dependence on E-visit reimbursement

3 HYBRID (COLLECTIONS + $5 PMPM)

Assessment encounters with collections-based payment plus ongoing navigation. Includes the full patient engagement and compliance intelligence infrastructure.

HOW IT'S FUNDED	Collections-financed fixed-fee invoices PLUS $5 PMPM ($60 annually) per patient who responds and completes the HRA.
OUR REVENUE	50% of net collections after the 10% fee + $5 PMPM per responding patient.
RCM FEE	10% of collections (Data Transfer / Encounter Creation / RCM).
PAYMENT METHOD	Invoice financing for the quarterly response fee; separate monthly invoice for the $5 PMPM.
YOUR BENEFITS	✓ No upfront expense ✓ Ongoing navigation and support ✓ Maximized compliance and revenue opportunities

THE PRECISION PATIENT JOURNEY

PATIENTS IDENTIFIED (CMS/Payer Intelligence) → **OUTREACH & ENGAGEMENT** (Provider-Branded) → **PATIENT RESPONSE** (Assessment & Risk Capture) → **TRIAGE & SCHEDULING** (Appropriate Next Steps) → **SERVICE CONNECTION** (Provider or Referral) (Option 1 and 3) → **BETTER OUTCOMES & REVENUE** (Provider Retains 100%)

Proprietary YOUniversal Workflow Intelligence®
Built on CMS/Payer intelligence to identify, validate and connect the services that qualify for compliance credit.

YOUniversal Care®
Healthcare for People. Human Touch.

Not a Dent. A Difference.®

Program Pricing Details: Options 1 and 3 include a predetermined fixed fee of $12 per qualifying quarterly response. This fee is invoiced, not collected upfront. Payments toward outstanding invoices are limited to 50% of applicable net collections actually received after the 10% Data Transfer / Encounter Creation / RCM fee. The Response-Only program (Option 2) is $8 PMPM ($96 annually). The Hybrid program (Option 3) includes $5 PMPM ($60 annually). PMPM charges apply only to patients who respond and complete their HRA.
