Pryor Field Regional Airport
Pryor Flight Center

Fiscal Year 2024

I. AIRPORT SERVICES

A. ***Aviation Gasoline, Jet Fuel, Prist and Oil***

Due to frequent changes, retail (other than contract or negotiated agreement) sales prices will be based on prices required to cover costs, with a reasonable profit margin. Consideration will be given to fees charged within the local flying area (100 miles radius). The Pryor Field Regional Airport may participate in occasional sponsored marketing and promotional discount sales.

100LL Discounts: Flight training aircraft may request full-service at the retail self-serve price. Proof of flight training may be requested to verify applicability.

Volume Discounts: Jet A Retail
501-750 gallons: .20/gal
750 + gallons: .25/gal

Current retail prices will be reflected in the terminal building and various on-line mediums.
