Dear Valued Members,

As we close out another successful quarter, I want to thank you for your continued commitment to Chapter 22 and the right of way profession.

Our chapter's strength comes from the engagement and dedication of our members. Membership growth, retention, and sponsorship remain key priorities. We can all contribute by encouraging colleagues to join IRWA, welcoming new members, participating in educational events, volunteering, mentoring and support sponsorship opportunities. Every effort makes a difference. Together, we can continue building a vibrant Chapter 22 that supports your professional development, strengthens industry relationships, and advances the right of way community across Georgia. Thank you for your continued involvement and support.
