

Dear Church Family,

I am writing to tell you about some changes I am proposing to make to the sanctuary stage. At the beginning of summer, I would like to remove the wooden drum platform (what the drums are sitting on). The Plexi glass shield will stay in place. This change will quiet the drums slightly and hopefully improve the sound quality during worship. It will also give us more flexibility to move equipment and instruments around on the sanctuary stage.

If you have any comments, questions, or concerns please reach out to me at mark.tatham@cheneycc.org

Together in Christ,

Mark Tatham

Worship Leader
