Our Global Partner focus at Cheney Community Church for the month of May is : The Cheney Family

Adam and Heather Cheney (pronounced Chaney) live in Minnesota and are serving immigrants arriving there from Africa and Afghanistan. Their time in Kenya allowed them to learn Swahili which helps them in their ministry. They have seven children . The two oldest girls are in college and the youngest has begun school, allowing Heather to take a part-time job as a pharmacy tech at the Mayo Clinic. While he carries on the local ministry, Adam has also begun a doctorate in leadership at Portland Seminary in Global Perspectives, and will be studying how to further social interaction between the local Christians and Somali Muslims.

Adam will be here to update us in the service on May 26 -- with lunch to follow sponsored by Global Partner Committee

OCC notes: This year besides the *Item of the Month* , we have an ongoing “WOW Wishlist” .

There are copies of this list in the OCC basket in the foyer.
