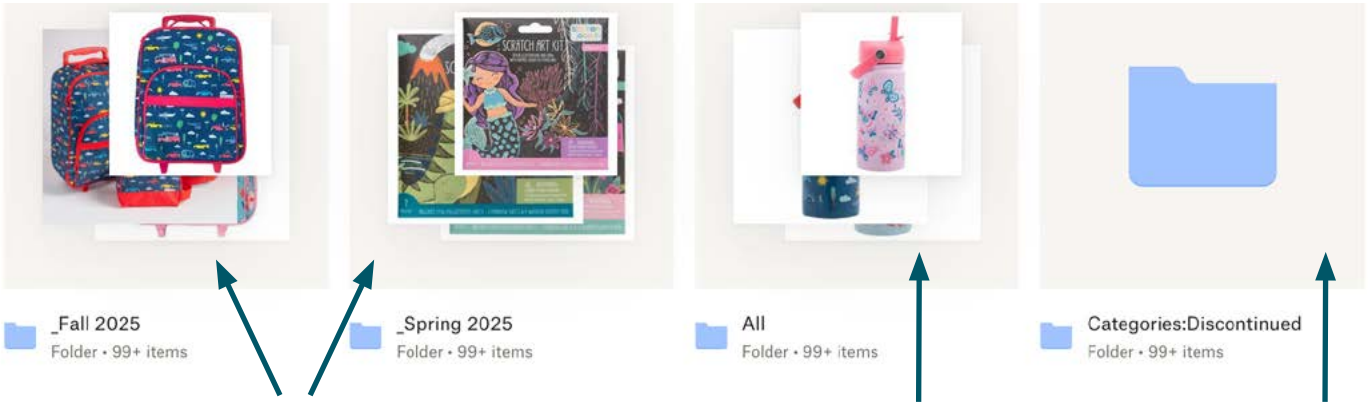
PRODUCT IMAGES



Organized by season

Every current product. Just use the seach bar to find what you need!

All the old folders organized the way they used to be (will no longer be updated)

The description matches the description in sage/brandwise/marketime (So you can seach by item number, description, or season)

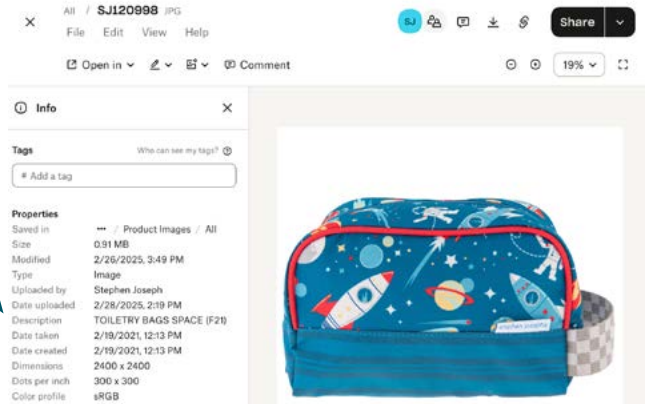
Example Searches:

SJ120998 - pulls up the space toiletry bag

SJ1209 - pulls up all toiletry bags

toiletry bags - also pulls up all toiletry bags

(F21) - pulls up all Fall 2021 items

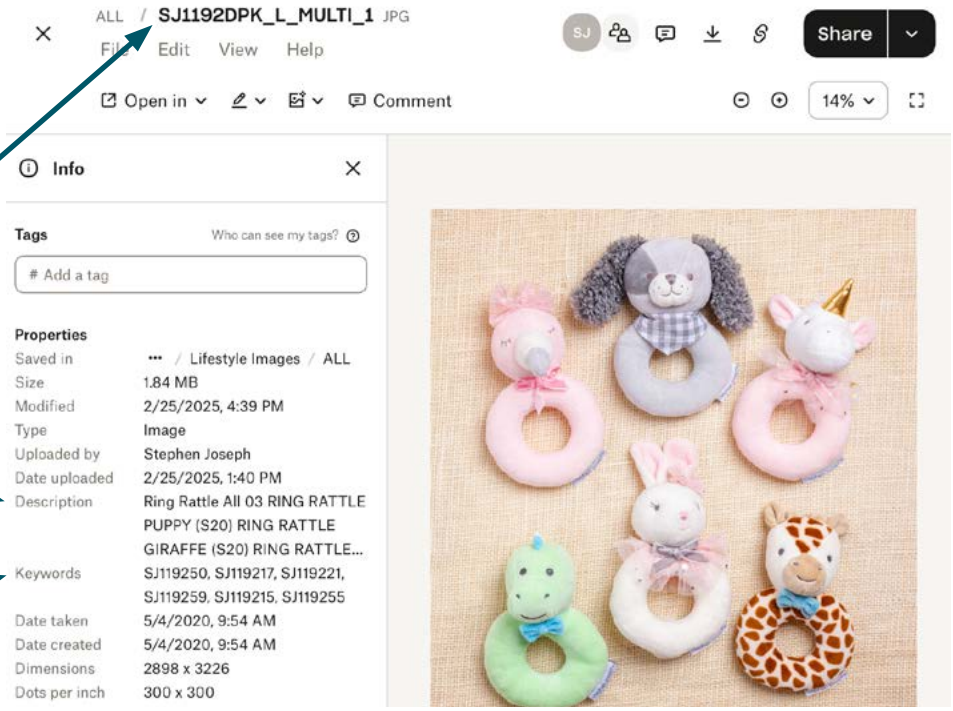


LIFESTYLES

The file name is the same as the product number. If the lifestyle has more than 1 product, MULTI is added to the file name.

The description matches the description in sage/brandwise/marketime

Keywords has all the item numbers of every product in the image



If your search doesn't return any results, you can try the discontinued folder. If an image has a product that isn't in the catalog, It's probably in there.
